REQUEST FOR OFFERS TO PURCHASE FOR THE SALE OF REAL PROPERTY

Summary

The Fort Monmouth Economic Revitalization Authority (“FMERA” or the “Authority”), pursuant to P.L. 2010, c.10 (N.J.S.A. 52:27I-18 et seq.), is responsible for the efficient redevelopment and reuse of Fort Monmouth. In furtherance of its mission, FMERA is hereby seeking offers to purchase from individuals or entities to acquire property that will be sold by the Authority. This request for offers to purchase (RFOTP) is being issued under the Authority rules for the sale of real & personal property that have been published in the New Jersey Register (N.J.A.C 19:31C-2) as well as the Memorandum of Agreement (MOA) between FMERA and the US Army. The successful Potential Purchaser as defined below shall be subject to the terms and provisions of the aforementioned rules and MOA. Redevelopment of the property will be subject to the land use regulations and design and development guidelines, which are in the process of being adopted by the Authority.

1.0 PURPOSE AND SCOPE OF SERVICES

The Authority is requesting offers to purchase (the “offer”) from qualified individuals, or entities (the “Potential Purchaser”) interested in purchasing a 55.327 acre parcel of land, currently located in the Main Post Area of Fort Monmouth which borders State Highway #35. The parcel map can be found in ATTACHMENT #1 of this RFOTP. The Authority is requesting proposals that comply with the proposed land-use regulations that are in the process of being adopted by the Authority and are consistent with the Fort Monmouth Reuse and Redevelopment Plan dated October 15, 2008 (“Reuse Plan”). The Reuse Plan calls for a Lifestyle center with a total of 302 medium density or mixed-use residential units and up to 150,000 SF of lifestyle retail use, which is defined as an unenclosed retail center featuring national specialty stores and restaurants with convenient and easily accessible parking and a pedestrian-friendly ambiance, to be constructed on this parcel. The Authority is also open to considering alternative proposals in addition to proposals complying with the proposed land-use regulations and consistent with the Reuse Plan.

The purchase agreement between the Authority and the successful Potential Purchaser shall be subject to the terms and conditions of the June 25, 2012, Memorandum of Agreement between the US Army and FMERA. The Authority will convey title to the successful Potential Purchaser by way of a quit claim deed.

1.1 THE PROPERTY

The property consists of 55.327 acres of land currently improved with 6 commercial buildings and one re-locatable sports bubble. The buildings were constructed in 1953 and may contain non-friable asbestos and lead-based paint. The total building area of the commercial buildings is approximately 486,293 sf. Additionally there is a geo-thermal well field on the property. The successful Potential Purchaser will be responsible for demolishing these improvements at its sole cost and expense. The sports bubble will be relocated at the Authority's expense.

Title to the Property is currently held by the U.S. Army. FMERA is the contract purchaser through a June 25, 2012 Memorandum of Agreement with the Army. FMERA will take title to the Property upon receipt of environmental clearances, anticipated in early 2013. The clearances will take the form of the Army's Finding of Suitability to Transfer, and a No Further Action letters where Areas of Concern were identified from the New Jersey Department of Environmental Protection. Pursuant to The Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the Army will retain responsibility for any environmental contamination (other than non-friable asbestos, lead-based paint and commercially-applied pesticides and termiticides) that may be present on the Property as of the date of closing with FMERA. The selected Potential Purchaser will be afforded the opportunity to perform due diligence investigations prior to closing at its sole cost and expense.

Bidders are hereby notified that registered pesticides have been applied to the property and may continue to be present. The Army has advised that where a pesticide was applied it was applied in accordance with its intended purpose and consistently with the Federal Insecticide, Fungicide, and Rodenticide Act (FIRA), 7 U.S.C. § 136, et seq., and other applicable laws and regulations. If the successful bidder takes any action with regard to the property, including demolition of structures or any disturbance or removal of soil that may expose, or cause a release of, a threatened release of, or an exposure to, any such pesticide, they would assume all responsibility and liability therefore.

The Army will convey title by quitclaim deed; accordingly, FMERA will transfer title to the selected Potential Purchaser by quitclaim deed. Title will be fee simple, free and clear of all liens and insurable at regular rates.

Utilities are available within the bed of Route 35 as well as the Avenue of Memories. See the boundary survey attached as Exhibit A for approximate utility locations. The selected Potential Purchaser will be required to dedicate Avenue of Memories as a public right-of-way at no cost or expense to FMERA, the County of Monmouth, or the Borough of Eatontown, and may be required to dedicate DeRun Avenue and part of North Drive as public rights-of-way at no cost or expense to FMERA, the County of Monmouth, or the Borough of Eatontown .

1.2 DEVELOPMENT OF THE PROPERTY

FMERA seeks to sell the Property to a Potential Purchaser who will develop the property in accordance with the 2008 Fort Monmouth Reuse & Redevelopment Plan (Reuse Plan), available at www.fortmonmouthredevelopment.com, and FMERA's draft Land Use Regulations (Regulations). (The Regulations are presently in draft form and have been published in the NJ

Register for a 60 day public comment period) The Regulations are intended to promote flexibility in connection with the implementation of the Reuse Plan, but not to supersede it; all development within the Fort shall be consistent with the Reuse Plan. Where a proposed development is determined by FMERA to be inconsistent with the Reuse Plan, FMERA shall require the adoption of either a Reuse Plan amendment or a “use-type” variance prior to approval of the application for development. FMERA’s Board may amend the Reuse Plan in its sole discretion to accommodate a development concept that is not consistent with the Reuse Plan.

Pursuant to the Reuse Plan, the Property can accommodate up to 302 newly constructed dwelling units (mixed-income apartments), along with a 150,000 sf retail.

Under the draft Regulations, the Property’s permitted land uses are residential medium density, open space/recreation, mixed use and retail. Specifically a lifestyle center with a total of 302 medium density or mixed -use residential units and up to 150,000 SF of lifestyle retail use, which is defined as an unenclosed retail center featuring national specialty stores and restaurants (not drive-through), with convenient and easily accessible parking and a pedestrian-friendly ambiance, is called for to be constructed on this parcel. Outdoor dining is permitted. Mixed use buildings have a three-story (45 feet) height limitation; retail buildings have a two-story (30 feet) limit. No minimum lot area is required, but maximum permitted lot coverage is 75 percent. The draft Regulations, like the Reuse Plan, call for 302 units of new-construction housing. This redevelopment area is in a Medium Density Residential district which allows a maximum of 12 units per acre. Medium Density residential districts allow:

- Stacked flats (2 to 3 units stacked vertically, in attached structures providing up to eight horizontal stacks per structure, total of 16 to 24 units per structure). Up to three stacked flat units may share one entrance at the first level.
- Apartment buildings with four or more units per building and with at least four units sharing each ground-level entrance.
- The maximum height for multi-family stacked flats and apartment buildings is three stories (45 feet).

In summary, the draft Regulations and the Reuse Plan will allow for a project consisting of 302 dwelling units and 150,000 s.f. of retail without requiring a use-type variance.

Avenue of Memories is a “main street” under the Reuse Plan. Per the draft Regulations, the recommended street-facing building setback is 0 to 10 feet and for buildings adjoining Avenue of Memories, a minimum 30-foot setback should be provided. The side lot line setbacks are 10’ minimum (each side) for the residential uses (except that the side lot line setback between two attached structures constructed on individual lots shall be zero), 7’ for retail and 0 feet for mixed-use. Rear lot setbacks for residential are 20’ minimum (garages may be located within the setback if they open onto a rear alley), 25’ for retail and 20’ for mixed-use. The draft Regulations specify that all lots shall have frontage on a street, rather than a rear parking lot or an open space with no intervening street.

The reuse and redevelopment plan also envisions the West Gate façade/arches remain and that the Avenue of Memories monuments and associated trees remain and be integrated into the redevelopment.

The Borough of Eatontown has expressed a preference that development of the residential component be fee ownership/condominium units as opposed to rental units.

1.3 AFFORDABLE HOUSING REQUIREMENT

Offers must include a commitment that the Potential Purchaser will comply with any and all legally imposed affordable housing requirements, including but not limited to setting aside twenty (20%) percent of the housing units developed on the Property as affordable housing. These units shall be affordable to low- and moderate-income households as determined by New Jersey law. Where feasible, the affordable units should be interspersed with the market-rate units. While FMERA encourages the use of Low Income Housing Tax Credits (LIHTCs) as part of Potential Purchasers' funding mix, FMERA will reject any Offer that seeks to make the closing of title contingent on the Potential Purchaser's receipt of LIHTCs. The affordable housing component of the redevelopment may be accomplished directly by the Potential Purchaser or through a subcontract/joint venture arrangement with an affordable housing developer.

1.4 PREVAILING WAGE REQUIREMENT

Potential Purchaser shall comply with the Prevailing Wage requirements set forth in N.J.S.A. 52:27I-31 (P.L. 2010, c. 51).

1.5 ALTERNATE OFFERS

To be considered by FMERA, Potential Purchasers must provide an Offer for a project that is similar to the uses described in the Reuse Plan and the draft Regulations. Additionally, Potential Purchasers may provide a second, alternate Offer for development of the Property consistent with their vision of the Property's highest and best use (Alternate Offer). Alternate Offers may deviate from the land uses, development yields and/or densities, land use controls and requirements set forth in the Reuse Plan and the draft Regulations. FMERA may also consider an expansion of the parcel footprint eastward including additional land and buildings. If an Alternate Offer is submitted, it must include an economic justification for the deviation and be documented through financial pro formas and market data. The Alternate Offer should include separate responses to items 4.1 b, d, e, f, g, h and i below.

2.0 PUBLIC INSPECTION OF DOCUMENTS

Due diligence material and documents held by FMERA pertaining to the Property and/or building(s) will be made available for the review and inspection by potential Potential Purchaser(s) during normal business hours at the FMERA office located at Fort Monmouth, New Jersey. Interested Potential Purchasers may make copies of the paper documents. Copies of any documents requested that are larger than legal size shall be made at the expense of the Potential Purchaser. A copy of digital files will also be available upon request without charge. Limited

materials and documents will be available for review and inspection during the tour referred to in Section 3.0 below.

Materials made available by FMERA for public inspection are offered “as is” and “where is” and they may include pertinent information regarding the environmental conditions, utility access, and other information related to these facilities. However, FMERA shall not be held responsible or liable for the accuracy or inaccuracy of such information or materials reviewed or obtained. All Potential Purchaser(s) shall be wholly responsible for their own due diligence efforts. Any information obtained by the Potential Purchaser(s) shall become the property of the Authority immediately upon the Potential Purchaser’s submission of its offer and the release of such information by the Potential Purchaser to a third party shall only be made with the written approval of the Authority.

Public Law 2005, Chapter 51

(formerly Executive Order 134) and Executive Order 117 (2008)

**INFORMATION AND INSTRUCTIONS
For Completing The "Two- Year Vendor Certification and Disclosure of Political
Contributions" Forms**

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued Executive Order 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, Executive Order 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. Executive Order 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 ("Chapter 51").

On September 24, 2008, Governor Jon S. Corzine issued Executive Order No. 117 ("E.O. 117"), which is designed to enhance New Jersey's efforts to protect the integrity of procurement decisions and increase the public's confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State, the Certification and Disclosure of Political Contributions form (CH51.1R1/21/2009) is valid for a two (2) year period. Thus, if a vendor receives approval on Jan 1, 2009, the certification expiration date would be Dec 31, 2011. Any change in the vendor's ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/EO117 forms to the State Review Unit. **Please note that it is the vendor's responsibility to file new forms with the State should these changes occur.**

Prior to the awarding of a contract, the agency should first send an e-mail to CD134@treas.state.nj.us to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
