REQUEST FOR OFFERS TO PURCHASE FOR THE SALE OF REAL PROPERTY

Summary

The Fort Monmouth Economic Revitalization Authority (“FMERA” or the “Authority”), a state authority created pursuant to P.L. 2010, c.10 (N.J.S.A. 52:27I-18 et seq.), is responsible for the orderly and comprehensive redevelopment of Fort Monmouth. In furtherance of its mission, FMERA is hereby seeking offers to purchase Authority-owned property from individuals or entities. This request for offers to purchase (“RFOTP”) is being issued under FMERA’s rules for the sale of real and personal property (N.J.A.C. 19:31C-2, the “Sales Rules”). The successful Potential Purchaser as defined below shall be subject to the terms and provisions of the Sales Rules and the Phase 1 Economic Development Conveyance Agreement (“EDC Agreement”) between FMERA and the Army. Redevelopment of the property will be subject to the Fort Monmouth Reuse and Redevelopment Plan (the “Reuse Plan”), which operates as the de facto master plan for Fort Monmouth, and FMERA’s land use regulations and design and development guidelines (N.J.A.C. 19:31C-3, the “Land Use Rules”), which serve as the zoning ordinance for the Fort. The Reuse Plan and the Land Use Rules supersede the master plan, the zoning and land use ordinance and regulations, and the zoning map of the Borough of Eatontown and Monmouth County development regulations, except for procedures for site plan and subdivision approval.

1.0 PURPOSE

The Authority is requesting offers to purchase (the “Offer”) from qualified individuals, or entities (the “Potential Purchaser”) interested in purchasing a 63.67 acre parcel of land, currently located in the Charles Wood Area of Fort Monmouth which borders Pinebrook Road and Hope Road Eatontown, (Monmouth County), NJ. The parcel map can be found in ATTACHMENT #1 of this RFOTP. The Authority is requesting proposals that comply with the Land Use Rules that have been adopted by the Authority and are consistent with the Reuse . The Reuse Plan calls for a total of 275 housing units and up to 12,530 SF of commercial use, to be constructed on this parcel. The Authority is also open to considering alternative, predominately residential proposals in addition to proposals complying with the proposed Land Use Rules and consistent with the Reuse Plan.

The purchase agreement between the Authority and the successful Potential Purchaser shall be subject to the terms and conditions of the EDC Agreement. The Authority will convey title to the successful Potential Purchaser by way of a quit claim deed.

1.1 THE PROPERTY

The property consists of 63.67 acres of land currently improved with 486 townhouse-style residential units in 52 buildings. The buildings were constructed in 1953 and may contain non-friable asbestos and lead-based paint. The total building area of the residential units is approximately 580,000 sf. Additionally, there is a 3,850 sf, circa 1942 masonry storage building located on the property at the northeast corner of Hope and Pinebrook Roads. The successful Potential Purchaser will be responsible for demolishing these improvements at its sole cost and expense.

The Army issued an environmental clearance document, known as a Finding of Suitability to Transfer (“FOST”), in August 2013. The FOST can be found at:

http://www.pica.army.mil/FtMonmouth/Documents/2013%2008%2012%20FTMM%20finalFOS T%20P1_red.pdf

Pursuant to Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the Army retains responsibility for any Army caused environmental contamination (other than non-friable asbestos, lead-based paint and commercially-applied pesticides and termiticides) that may be present on the Property as of the date of closing with FMERA. The selected Potential Purchaser will be afforded the opportunity to perform due diligence investigations prior to closing at its sole cost and expense.

Potential Purchasers should be aware that there is a high ground water table and that any construction of basements may require special measures to deal with the ground water.

The Army has conveyed title by quitclaim deed; accordingly, FMERA will transfer title to the selected Potential Purchaser by quitclaim deed. Title will be fee simple, free and clear of all liens and insurable at regular rates.

Utilities are available within the bed of Pinebrook Road. See the boundary survey attached as Exhibit A for approximate utility locations. It is anticipated that FMERA will convey the portion of Pinebrook Road that it owns to the selected Potential Purchaser. The selected Potential Purchaser will be required to dedicate Pinebrook Road as a public right-of-way at no cost or expense to the Borough of Eatontown.

1.2 DEVELOPMENT OF THE PROPERTY

FMERA seeks to sell the Property to a Potential Purchaser who will develop the Property predominately for residential use. Development of the Property is governed by the 2008 Fort Monmouth Reuse & Redevelopment Plan (Reuse Plan) and FMERA’s Land Use Rules, both available at www.fortmonmouthredevelopment.com. Where a proposed development is determined by FMERA to be inconsistent with the Reuse Plan, FMERA shall require the adoption of either a Reuse Plan amendment or a “use-type” variance prior to approval of the

application for development. FMERA's Board may amend the Reuse Plan in its sole discretion to accommodate a development concept that is not consistent with the Reuse Plan.

Pursuant to the Reuse Plan, the Property can accommodate up to 275 newly constructed dwelling units (flats and townhouses), along with a 12,530 sf convenience retail facility at the intersection of Hope and Pinebrook Roads.

Under the Land Use Rules, the Property's permitted land uses are residential medium density, open space/recreation, and mixed use and/or retail. Mixed use and/or retail uses are limited to 15,000 sf along Pinebrook Road. Note that the Land Use Rules allow a slightly greater retail buildout than the Reuse Plan. Prospective Purchasers may assume that the maximum retail buildout is 15,000 sf. The 15,000 sf could be exclusively one-story retail or multi-story with ground floor retail and residential on the upper floor(s). Outdoor dining is not permitted. Mixed use buildings have a three-story (45 feet) height limitation; retail buildings have a two-story (30 feet) limit. No minimum lot area is required, but maximum permitted lot coverage is 60 percent. Maximum floor area ratio for the non-residential use in Howard Commons is 0.20; maximum density for residential in mixed-use buildings is 8 units per acre. The Land Use Rules, like the Reuse Plan, call for 275 units of new-construction housing. Howard Commons is in a Medium Density Residential district which allows a maximum of 12 units per acre. Medium Density residential districts allow:

- Stacked flats (2 to 3 units stacked vertically, in attached structures providing up to eight horizontal stacks per structure, total of 16 to 24 units per structure). Up to three stacked flat units may share one entrance at the first level.
- Townhouses consisting of attached single units at a minimum of four units per structure
- Residential buildings with four or more units per building and with at least four units sharing each ground-level entrance.
- The maximum height for multi-family stacked flats and apartment buildings is three stories (45 feet).

Pinebrook Road is a "main street" under the Reuse Plan. Per the Land Use Rules, the recommended street-facing building setback is 0 to 10 feet and for buildings adjoining Pinebrook Road a minimum 30-foot setback should be provided. The side lot line setbacks are 10' minimum (each side) for the residential uses (except that the side lot line setback between two attached structures constructed on individual lots shall be zero), 7' for retail and 0 feet for mixed-use. Rear lot setbacks for residential are 20' minimum (garages may be located within the setback if they open onto a rear alley), 25' for retail and 20' for mixed-use. The Land Use Rules specify that all lots shall have frontage on a street, rather than a rear parking lot or an open space with no intervening street.

The Borough of Eatontown has expressed a preference that development of the residential component be fee ownership/condominium units as opposed to rental units.

1.3 AFFORDABLE HOUSING REQUIREMENT

Offers must include a commitment that the Potential Purchaser will comply with any and all legally imposed affordable housing requirements, including but not limited to setting aside

twenty (20%) percent of the housing units developed on the Property as affordable housing. These units shall be affordable to low- and moderate-income households as determined by New Jersey law. Where feasible, the affordable units should be interspersed with the market-rate units. While FMERA encourages the use of Low Income Housing Tax Credits (LIHTCs) as part of Potential Purchasers' funding mix, FMERA will reject any Offer that seeks to make the closing of title contingent on the Potential Purchaser's receipt of LIHTCs. The affordable component of the redevelopment may be accomplished directly by the Potential Purchaser or through a subcontract/joint venture arrangement with an affordable housing developer.

1.4 PERMANENT SUPPORTIVE HOUSING

Permanent Supportive Housing is permanent affordable housing with flexible support services that are available but not a condition of tenancy, designed to help the tenants stay housed and build the necessary skills to live as independently as possible. The population for these units is either chronically homeless persons or families, or physically or mentally challenged homeless persons. Specifically, it is for families and individuals who, in addition to needing permanent affordable housing, need access to supportive services in order to stay housed permanently. FMERA has an obligation to convey twenty (20) units of single family permanent supportive housing to the Affordable Housing Alliance, within the Eatontown area of the Fort Monmouth property. The Homeless Assistance Submission submitted along with the Fort Monmouth Reuse and Redevelopment Plan, proposed that the permanent supportive housing units be scattered throughout the various development areas outlined in the Reuse Plan.

FMERA reserves a right to negotiate with the selected Potential Purchaser to purchase up to twenty (20) affordable housing units from the selected Potential Purchaser to satisfy some or all of FMERA's obligation to provide permanent supportive housing in Eatontown. The successful Potential Purchaser will have the ability to negotiate with FMERA and the Affordable Housing Alliance for the design, construction, and conveyance of these units. Based on the rules proposed by the Council on Affordable Housing on April 30, 2014, it is anticipated that any such units purchased by FMERA will count towards the selected Potential Purchaser's 20% Affordable housing requirement. Potential Purchasers are encouraged to review the pertinent rules of the Council on Affordable Housing to determine if any such units purchased by FMERA will count towards the selected Potential Purchaser's 20% Affordable housing requirement. FMERA anticipates that the purchase price for such units will be the established price for affordable housing units in Monmouth County. FMERA has established a funding mechanism to provide funds to construct or purchase these units. The funding is provided by a per acre allotment of property sales revenue into a Homeless Fund. Full funding for FMERA's purchase of these units may not be available at closing and is contingent on revenue realized by FMERA from property sales throughout Fort Monmouth.

1.5 FORT MONMOUTH'S REDEVELOPMENT STATUS

Fort Monmouth consists of 1,127 acres located in the Boroughs of Tinton Falls, Eatontown and Oceanport, New Jersey. Established in 1917 as Camp Little Silver, the Fort served as the home of the Signal Corps, and later CECOM, the Communications and Electronics Command. The Fort was designated for closure in the 2005 BRAC round, and formally closed in September

2011. FMERA entered into the EDC Agreement with the Army in June 2012, and took title to an initial property, a 55-acre tract in Tinton Falls known as Parcel E, in January 2013. FMERA subsequently sold Parcel E to CommVault, one of the nation's leading data and information management software companies, for construction of a new headquarters complex for the company. CommVault is planning to occupy the first building in the complex, a 275,000 sf facility for 900 employees, by the end of 2014. The company has approvals in hand to develop up to 650,000 sf for an estimated 2,500 employees.

CommVault's new Headquarters located across Hope Road from Howard Commons

FMERA acquired the former Patterson Hospital from the Army and sold it to AcuteCare Health System in March 2014. AcuteCare is renovating the 100,000 sf building for use as an outpatient health clinic. The facility is scheduled to open in the 1st Quarter of 2015.

Rendering of AcuteCare's renovated facility

FMERA is currently in negotiations with developers for the sale of seven other parcels, four of which are located in the Tinton Falls section of the Fort. Another fifteen parcels, ranging from individual buildings or large land tracts, will be released for proposals within the next six months.

At full buildout in approximately twelve years, the Fort is projected to include:

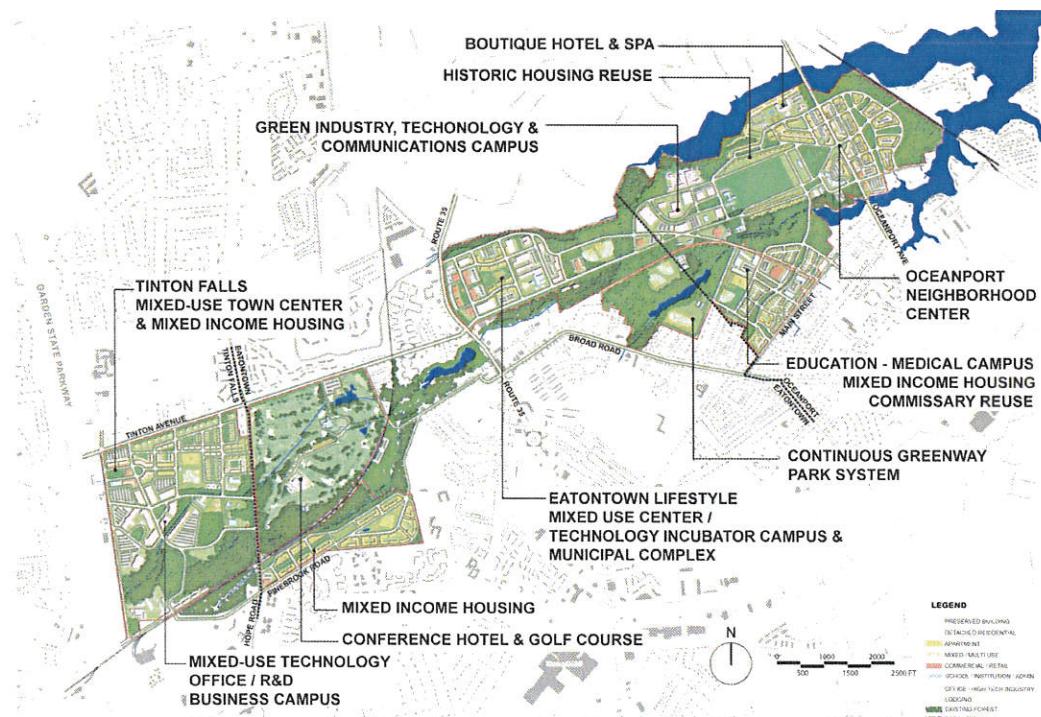

- 1,585 housing units, with over 4,000 new residents
- 300,000 sf of non-profit, civic, government and educational uses
- 500,000 sf of retail space
- 2,000,000 sf of office, research & development and other commercial uses

Total development costs are estimated at \$1.5 billion, generating 10,000 permanent jobs.

Fort amenities are anticipated to include:

- preservation of approximately 40% of the Fort's land area as recreational and passive open space
- creation of a system of bicycle lanes, pedestrian paths and/or multi-purpose trails
- dedication of an interconnected blue/green belt spanning the Fort
- a shuttle system linking the Fort with mass transit, including the Little Silver train station
- improved access to the Garden State Parkway via a new interchange (Exit 105A)

In addition to the above amenities, the Fort plans to also be home to a renovated fitness center, bowling alley, performing arts center/theater, golf course, and marina.

Fort Monmouth's 20-year Concept Plan

1.6 UTILITIES

When the Fort was active, the Army provided utility service via government-owned systems. In the 1990s, the Army entered into an agreement with New Jersey Natural Gas to install gas mains on the Fort, including the streets abutting the Property.

The selected Potential Purchaser will be responsible for making any needed improvements or upgrades to utility infrastructure within the footprint of the Property. FMERA anticipates that the selected Potential Purchaser, at its sole cost and expense, will be required to relocate laterals and to reconnect utilities as new trunk infrastructure is installed. Potential Purchasers proposing developments that are inconsistent with the Reuse Plan will also be expected to contribute toward off-site improvements to the extent required by their proposed development.

1.6 INFRASTRUCTURE DISTRICT; SALES TAXES

The state statute creating FMERA, P.L. 2010, c.10 (N.J.S.A. 52:27I-18 et seq.), allows FMERA to create infrastructure districts to support the redevelopment of the Fort. Retail sales within the districts will be exempt to the extent of 50% of the retail sales taxes (except taxes generated from the retail sale of motor vehicles, alcoholic beverages, cigarettes or energy) normally collected by the State of New Jersey, and FMERA may collect a franchise assessment not to exceed the remaining 50% of retail sales taxes normally collected, to be used by FMERA toward on-site or off-site infrastructure improvements, or parking or transportation facilities, or work that reduces, abates, or prevents environmental pollution, or other improvements that provide a public benefit within or to an infrastructure district. FMERA may, at its Board's discretion, opt to collect less than 50% of normal sales taxes through the franchise assessment, effectively allowing retailers to charge less than the 7% sales tax imposed under the New Jersey Sales and Use Tax Act.

The purchase and sale agreement between FMERA and the Prospective Purchaser will require that, in the event FMERA creates an infrastructure district that includes the Property within its boundaries, the Potential Purchaser and any tenants operating a retail business on the Property will apply to be a certified retail vendor.

2.0 PREVAILING WAGE REQUIREMENT

The Potential Purchaser shall comply with the Prevailing Wage requirements set forth in N.J.S.A. 52:27I-31 (P.L. 2010, c. 51). This requirement pertains to all demolition, utility, infrastructure, site preparation, and vertical construction proposed on the Property as part of the approved project. Prospective Purchasers should take Prevailing Wage requirements into account in formulating Offers.

3.0 PUBLIC INSPECTION OF DOCUMENTS

Due diligence material and documents held by FMERA pertaining to the Property and/or building(s) will be made available for the review and inspection by Potential Purchaser(s) during normal business hours at the FMERA office located at Fort Monmouth, New Jersey. Interested Potential Purchasers may make copies of the paper documents. Please note: FMERA does not

warrant the accuracy or completeness of any documents originated by the Army or other sources. Copies of any documents requested that are larger than legal size shall be made at the expense of the Potential Purchaser. A copy of digital files will also be available upon request without charge. Limited materials and documents will be available for review and inspection during the tour referred to in Section 5.0 below.

Materials made available by FMERA for public inspection are offered “as is” and “where is” and they may include pertinent information regarding the environmental conditions, utility access, and other information related to these facilities. However, FMERA shall not be held responsible or liable for the accuracy or inaccuracy of such information or materials reviewed or obtained. All Potential Purchaser(s) shall be wholly responsible for their own due diligence efforts. Any information obtained by the Potential Purchaser(s) shall become the property of the Authority immediately upon the Potential Purchaser’s submission of its offer and the release of such information by the Potential Purchaser to a third party shall only be made with the written approval of the Authority.

4.0 ALTERNATE OFFERS

To be considered by FMERA, Potential Purchasers must provide an Offer for a predominately residential project that is similar to the uses described in the Reuse Plan and the Land Use Rules. Additionally, Potential Purchasers may provide a second, alternate Offer for predominately residential development of the Property consistent with their vision of the Property’s highest and best use (Alternate Offer). Alternate Offers may deviate from the land uses, development yields and/or densities, land use controls and requirements set forth in the Reuse Plan and the Land Use Rules and must be predominantly residential. If an Alternate Offer is submitted, it must include an economic justification for the deviation and be documented through financial pro formas and market data. The Alternate Offer should include separate responses to items 6.1 b, d, e, f, g and h below.

5.0 TOURS

All requests for a walk through tour of the property are due by March 20, 2015 and the walk-throughs will commence on January 6, 2015 at 10:00 A.M. Please schedule a walk-through tour by contacting Regina McGrade at rmcgrade@njeda.com or 732-720-6350.

The Authority reserves the right to exclude from negotiations any and/or all offers received based on the initial submissions. By submitting an Offer in response to this RFOTP, each Potential Purchaser agrees to hold its Offer open for at least ninety (90) days after the response due date. Any provision in a submitted Offer that attempts to limit or condition the time that an Offer is open for consideration by FMERA will not be binding on FMERA. FMERA reserves the right, upon good cause shown to the satisfaction of FMERA's staff, to allow a Potential Purchaser to withdraw its Offer after Offers have been opened.

INFORMATION AND INSTRUCTIONS For Completing The "Two- Year Vendor Certification and Disclosure of Political Contributions" Forms

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued Executive Order 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, Executive Order 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. Executive Order 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 ("Chapter 51").

On September 24, 2008, Governor Jon S. Corzine issued Executive Order No. 117 ("E.O. 117"), which is designed to enhance New Jersey's efforts to protect the integrity of procurement decisions and increase the public's confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State, the Certification and Disclosure of Political Contributions form (CH51.1R1/21/2009) is valid for a two (2) year period. Thus, if a vendor receives approval on Jan 1, 2009, the certification expiration date would be Dec 31, 2011. Any change in the vendor's ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/EO117 forms to the State Review Unit. **Please note that it is the vendor's responsibility to file new forms with the State should these changes occur.**

Prior to the awarding of a contract, the agency should first send an e-mail to CD134@treas.state.nj.us to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
