

Pinebrook Road Commerce Center Utilities

1. Natural Gas is privatized and metered, all that will be required is to open an account with NJ Natural Gas Company and to have the meters turned on.
2. FMERA is contracting with New Jersey American Water to extend a 12" Main to the property border and place a meter pit just inside the Pinebrook Road gate. (see rendering below)
3. FMERA will make necessary repairs to the existing sanitary sewer system that will flow into the Tinton Falls system.
4. Power will continue to be fed from the existing Army substation but meters will need to be placed.
