REQUEST FOR PROPOSALS FOR NEW ROOF - BUILDING 502

1.0 PURPOSE AND INTENT

The Fort Monmouth Economic Revitalization Authority (the “Authority”), by means of this Request for Qualifications/Proposals (the “RFP”) is soliciting proposals from qualified firms to install a new roof on Building 502 the “Post Library” which is located on the Main Post (MP) which will be within the Borough of Oceanport. The Authority will select one firm to provide these services.

2.0 BACKGROUND

As the Local Redevelopment Authority (LRA), FMERA is entitled to free use of surplus Fort Monmouth facilities. The Authority office must be available to the general public and could not be located on Fort Monmouth as long as the Army had an active mission there. Now that the Fort has been closed, the general public can have access to the Fort property. The Authority has decided to relocate its office to Building 502, the former Post Library, on Fort Monmouth. In order to accommodate the Authority offices, the building is being refitted and converted from its former use as a library to professional administrative space. During construction it was discovered that the existing roof is in need of a new membrane due to numerous leaks and the age of the existing ballasted built up low-pitch roof.

Public Law 2005, Chapter 51

(formerly Executive Order 134) and Executive Order 117 (2008)

**INFORMATION AND INSTRUCTIONS
For Completing The "Two- Year Vendor Certification and Disclosure of Political
Contributions" Forms**

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued Executive Order 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, Executive Order 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. Executive Order 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 ("Chapter 51").

On September 24, 2008, Governor Jon S. Corzine issued Executive Order No. 117 ("E.O. 117"), which is designed to enhance New Jersey's efforts to protect the integrity of procurement decisions and increase the public's confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State, the Certification and Disclosure of Political Contributions form (CH51.1R1/21/2009) is valid for a two (2) year period. Thus, if a vendor receives approval on Jan 1, 2009, the certification expiration date would be Dec 31, 2011. Any change in the vendor's ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/EO117 forms to the State Review Unit. **Please note that it is the vendor's responsibility to file new forms with the State should these changes occur.**

Prior to the awarding of a contract, the agency should first send an e-mail to CD134@treas.state.nj.us to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

STANDARD TERMS AND CONDITIONS

STANDARD TERMS AND CONDITIONS

By submitting a proposal in response to the Request for Proposals (“RFP”) for services, the bidder certifies that it understands and agrees that all of the following terms, conditions and definitions (collectively, “Standard Terms and Conditions”) are part of any contract(s) awarded as a result of the RFP unless specifically and expressly modified by reference in the RFP or in a writing executed by an authorized officer of the Fort Monmouth Economic Revitalization Authority.

I. Definitions: As used in these Standard Terms and Conditions, the following terms shall have the definitions set forth in this paragraph. These definitions shall also apply to the entire contract unless otherwise defined therein.

“Authority” means the Fort Monmouth Economic Revitalization Authority. The Authority is the intended beneficiary of the Contract.

“Bidder” means any person or entity submitting a qualifications package in response to the RFP to provide the Authority services specified in the RFP.

“Contract” means a mutually binding legal relationship obligating the Contractor to furnish services and the Authority to pay for them. The Contract consists of these Standard Terms and Conditions, the RFP, the proposal submitted by the Consultant, the subsequent written document memorializing the agreement (if any), any amendments or modifications and any attachments, addenda or other supporting documents of the foregoing.

The Contract and/or its terms cannot be modified or amended by conduct or by course of dealings. Thus, the “contract” does not include the aforementioned actions and such actions, or reliance thereon, afford no rights whatsoever to any party to the Contract. The Contract can only be modified or amended by a writing signed by an authorized officer of the Authority and of the Contractor.

“Contractor” means the person or entity which submits a proposal in response to the RFP and to whom (or which) the Contract is awarded.

“Request for Proposals” or “RFP” means a solicitation for proposals from the shortlist of qualified firms to determine the Contractor to provide the services as specified herein.

“Shall” denotes a mandatory condition.

“State” means the State of New Jersey.

II. Applicability and incorporation of standard terms and conditions:

A. These Standard Terms and Conditions are automatically incorporated into the Contract unless the Contractor is specifically instructed otherwise in the RFP or in any other

amendment thereto. These Standard Terms and Conditions are in addition to the terms and conditions set forth in the RFP and should be read in conjunction with the same unless the RFP specifically indicates otherwise.

B. All of the Authority's Standard Terms and Conditions will become part of the Contract awarded as a result of this RFP, whether stated in part, in summary or by reference. In the event the Contractor's terms and conditions conflict with the Authority's, the Authority's Standard Terms and Conditions will prevail, unless the Contractor is notified in writing of the Authority's acceptance of the Contractor's terms and conditions.

III. Contractor's Status and Responsibilities:

A. Contractor's Status: The Contractor's status shall be that of an independent contractor and not that of an employee of the State or the Authority.

B. Contractor's Certification as to its Representations: The Contractor certifies that all representations made by it in its proposal or other related and/or supporting materials are true, subject to penalty of law. Further, the Contractor agrees that the violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact in the proposal, award or performance of the Contract may be cause for termination of the contract award. In addition, the Contractor's violation of any statute or regulation relating to public contracts and/or its misrepresentation or concealment of any material fact in the proposal, award or performance of the Contract shall serve as a legal bar to the Contractor's enforcement of its rights under the Contract including any and all claims at law or equity.

C. Contractor's Performance: The Contractor agrees to perform in a good, skillful and timely manner all services set forth in the Contract. The Contractor has an affirmative obligation to promptly notify, in writing, the Authority of any changes in circumstances which might affect the Contractor's ability to be awarded or to perform its obligations under the Contract.

D. Responsibilities of Contractor:

1. The Contractor is responsible for the quality, technical accuracy and timely completion and delivery of all services to be furnished by the Contractor under the Contract.
2. The Contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services furnished under the Contract. The acceptance or payment for any of the services rendered under the Contract shall not be construed as a waiver by the Authority of any rights under the Contract or of any cause of action arising out of the Contractor's performance of the Contract.

3. The acceptance of, approval of or payment for any of the services performed by the Contractor under the Contract shall not constitute a release or waiver of any claim the Contractor has or may have for latent defects or errors or other breaches or warranty or negligence.
4. Except for those subcontractors identified in the Contractor's response to the RFP, the Contractor shall not hire, employ or otherwise engage subcontractors to furnish the performance contemplated by the Contract, unless the prior written approval of the Authority is obtained by the Contractor.
5. The Contractor's obligations under this clause are in addition to the Contractor's other expressed or implied assurances under the Contract or law and in no way diminish any other rights that the Authority may have against the Contractor.

E. Investigation: By submitting a proposal in response to the RFP, the bidder certifies and warrants that it has satisfied itself, from its own investigation, of the conditions to be met and that it fully understands its obligations and if awarded the Contract agrees that it will not make any claim for, or have right to, cancellation or relief from the Contract without penalty because of its misunderstanding or lack of information.

F. Cost Liability: The Authority assumes no responsibility and no liability for costs incurred by the bidder prior to the award of the Contract and thereafter only as specifically provided in the Contract.

G. Indemnity/Liability to Third Parties:

1. The Contractor shall assume all risk of and responsibility for, and agrees to indemnify, defend and save harmless the Authority, its officers, employees and attorneys from and against any and all claims, demands, suits, actions, recoveries, judgments, liabilities and costs and expenses which may arise out of the breach of any term of the Contract or the default thereunder by the Contractor, its employees, servants or agents and on account of the loss of life, property or injury or damage to the person, body or property of any person or persons whatsoever, which shall arise from or result directly or indirectly from the services supplied under this Contract.
2. The Contractor shall hold and save the Authority, its officers, agents, servants and employees, harmless from liability of any nature or kind for or on account of the use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of this Contract.
3. The Contractor further agrees that:

- a) Any approval by the Authority of the work performed by the Contractor shall not operate to limit the obligations of the Contractor assumed in the Contract;
- b) The Authority assumes no obligation to indemnify or save harmless the Contractor, its agents, servants or employees for any claim which may arise out of its performance of the Contract; and
- c) The provisions of this indemnification shall in no way limit the Contractor's obligations assumed in the Contract, nor shall they be construed to relieve the Contractor from any liability, nor preclude the Authority from taking any other actions available to it under any other provisions of the Contract or otherwise at law or equity.

H. Availability of Records: The Authority has the right to request, and the Contractor agrees to furnish free of charge, all information and copies of all records and documents which the Authority requests. The Contractor shall allow the Authority to visit the office(s) of the Contractor periodically, upon reasonable notice, in order to review any document related to the Contract or to otherwise monitor work being performed by the Contractor pursuant to the Contract. Any failure by the Contractor to maintain or produce such records or to otherwise cooperate with the Authority may be, at the Authority's discretion, cause for termination of the contract award and/or suspension or debarment of the Contractor from the Authority.

I. Data Confidentiality: All data not otherwise publicly available contained in documents supplied by the Authority after the award of the Contract, any data not otherwise publicly available gathered by the Contractor in fulfillment of the Contract and any analysis thereof (whether in fulfillment of the Contract or not) are to be considered confidential and shall be solely for the use of the Authority. The Contractor is required to use reasonable care to protect the confidentiality of the data. Any use, sale or offering of this data in any form by the Contractor, its employees, agents, servants or assignees will be considered in violation of the Contract and will cause the information to be reported to the State Attorney General for possible prosecution. Penalties for violations of this provision include, but are not limited to, termination of the contract award and/or legal action without the Authority being liable for damages, costs and/or attorney fees. The Contractor shall be liable for any and all damages arising from its breach of this confidentiality provision.

J. No Waiver of Warranties or Remedies at Law or Equity: Nothing in the Contract shall be construed to be a waiver by the Authority or any warranty, expressed or implied, except as specifically and expressly stated in a writing executed by an authorized officer of the Authority. Further, nothing in the Contract shall be construed to be a waiver by the Authority of any remedy available to the Authority under the Contract, at law or equity except as specifically and expressly stated in a writing executed by an authorized officer of the Authority.

- K. **Publicity:**** Publicity and/or public announcements pertaining to the services being furnished pursuant to the Contract shall be approved by the Authority.

IV. **Contractual Relationship:**

- A. **Assignment:**** The Contractor shall not assign or transfer its obligations or rights, under the Contract without the prior written consent of the Authority. Any assignment or transfer of the Contractor's rights under the Contract without the prior written consent of the Authority shall not relieve the Contractor of any duty; obligation or liability assumed by it under the Contract and shall be cause for termination of the contract award.

B. **Mergers, Acquisitions and Dissolution:**

1. **Merger or Acquisition:** If, subsequent to the award of any contract, resulting from the RFP, the Contractor shall merge with or be acquired by another firm, for purposes of this Contract only, the documents set forth below must be submitted to the Authority for approval within thirty (30) days of completion of the merger or acquisition. Failure to do so may result in rescission of the contract award upon ten (10) days notice by the Authority to the Contractor. In such case, the provisions of VI.C. and VI. D shall apply. Any such merger or acquisition will require the assignment of the Contract pursuant to the provisions related thereto set forth herein.

The Contractor has the continuing obligation to notify the Authority of any change in its ownership affecting 10% or more of tis ownership as soon as such

2. **Dissolution:** If, during the term of the Contract, the Contractor's partnership, joint venture or corporation shall dissolve, the Authority must be so notified. Upon receipt of such notice, the Authority may terminate the Contract, in which case the provisions of VI. C. and VI. D. shall apply. All responsible parties of the dissolved partnership or corporation must submit to the Authority, in writing, the names of the parties proposed to perform the contract and the names of the parties to whom payment should be made.
