

A Conversation with Les Smith

Fresh off extending the contract between C&W for another year, FMERA spoke with Smith about the company's efforts to date.

You meet with real estate developers and interested parties on a regular basis. What is the strongest selling point when talking about the reasons why they should locate on the Fort?

We have a unique opportunity at Fort Monmouth to create a dynamic live, work and play environment. Companies today are looking for more than just office space. They need to compete for top workforce talent. At Fort Monmouth, employees and residents can take advantage of a golf course, marina, fitness center, bowling alley, performing arts center and biking/jogging trails, all located on the Fort. In addition, we have a fantastic location - less than five miles from the Jersey Shore, a one hour train ride to New York City, and easy access to local and regional attractions via the Garden State Parkway. We are also fortunate to have a highly educated and tech-savvy workforce.

Historic Photo of the Month

This photo shows the North Post Officer Housing, including the Field, Company and Commanding Officers' Quarters built between 1927-1935. These homes are now under contract to RPM Development, and will be renovated and sold as private residences.
