REQUEST FOR OFFERS TO PURCHASE FOR THE SALE OF REAL PROPERTY

SUMMARY

The Fort Monmouth Economic Revitalization Authority (“FMERA” or the “Authority”), a state authority created pursuant to P.L. 2010, c.10 (N.J.S.A. 52:27I-18 *et seq.*), is responsible for the orderly and comprehensive redevelopment of Fort Monmouth. In furtherance of its mission, FMERA is hereby seeking offers to purchase the subject property. This request for offers to purchase (“RFOTP”) is being issued under FMERA’s rules for the sale of real and personal property (N.J.A.C. 19:31C-2, the “Sales Rules”). The successful Potential Purchaser as defined below shall be subject to the terms and provisions of the Sales Rules, the Economic Development Conveyance Agreements (“EDC Agreement”) between FMERA and the Army for Phase 1 and the yet to be finalized EDC Agreement for Phase 2. Redevelopment of the property will be subject to the Fort Monmouth Reuse and Redevelopment Plan (the “Reuse Plan”), which operates as the de facto master plan for Fort Monmouth, and FMERA’s land use regulations and design and development guidelines (N.J.A.C. 19:31C-3, the “Land Use Rules”), which serve as the zoning ordinance for the Fort. The Reuse Plan and the Land Use Rules supersede the master plan, the zoning and land use ordinance and regulations, and the zoning map of the Borough of Eatontown and Monmouth County development regulations, except for procedures for site plan and subdivision approval.

1.0 PURPOSE

The Authority is requesting offers to purchase (the “Offer”) from qualified individuals or entities (“Potential Purchaser(s)”) interested in purchasing and redeveloping Parcel B, a 77± acre tract of land fronting State Highway 35 in the Borough of Eatontown on Fort Monmouth’s Main Post (the “Property”). The Property contains approximately 883,000 sf of existing buildings that are to be demolished by the successful Potential Purchaser. In addition, Potential Purchasers may, but are not required to, propose to purchase and redevelop an optional 12 acre tract containing Mallette Hall, a 57,000± gross square foot (gsf) former Army headquarters building; Pruden Hall, a 300-seat indoor theater; an outdoor amphitheater; and associated parking (the “Optional Property”). The westernmost 55 acres of the Property lie within the Phase 1 area of Fort Monmouth. The remaining 22 acres of the Property and the Optional Property lie within the Phase 2 area of Fort Monmouth.

With approximately 1,800 feet of frontage on State Highway 35, Parcel B is the former Fort’s “front door.” Accordingly, FMERA’s expectations for the Property are high. The Reuse Plan allows this important parcel to be developed as a high quality Lifestyle Center and Eatontown Gateway. It envisions a “vibrant pedestrian environment” and “exciting gateway,” with connectivity and interaction between the parcel’s retail and residential components. Offers proposing projects that meet these objectives will receive greater weight than those that do not.

In addition to a price proposal, the Offers must include a plan for the redevelopment of the Property for the uses specified in this RFOTP. The Property can support approximately 250,000 sf of lifestyle retail and related commercial uses and 302 medium density residential units. While Prospective Purchasers may propose to build more or less than 250,000 sf of lifestyle retail and related commercial uses, all Offers must commit to build 302 residential units.

A map of the Property and the Optional Property can be found in ATTACHMENT #1 of this RFOTP. Both the Property and the Optional Property will be sold “As-Is Where-Is.”

Please be aware that FMERA will not consider Offers for purchasing the Optional Property alone. Any proposal to purchase the Optional Property must be submitted with, and will be considered by FMERA in conjunction with, a proposal to purchase the Property. Offers for purchasing the Optional Property should include separate responses to items 6.0 b, d, e, f, g, h and i below.

Retail Development

FMERA is seeking Offers that propose to redevelop the Property as a vibrant, mixed-use, live-work-play community containing up to 250,000 sf of high-quality lifestyle retail use, defined as an unenclosed retail center featuring national specialty stores and restaurants with convenient and easily accessible parking. FMERA envisions Parcel B, with its frontage on State Highway 35, transformed into an exciting and attractive gateway into the Fort. The project should include a pedestrian-oriented retail center, featuring a town center layout with a few key high-end retail “anchors” ideally between 30,000 sf and 70,000 sf each. The Property should be redeveloped as an inviting destination retail center with open space, landscaping and improved streetscapes, and providing connectivity and interaction between the Property’s retail and residential components. Parking should be screened from State Highway 35 and a portion of the commercial redevelopment should front on the Avenue of Memories in a town center format, enhancing the main vehicular artery and gateway into the former Fort. Professional offices could be included above the retail space.

Offers that embody this retail development concept and the following design elements will receive greater weighting in the evaluation process than those that do not:

- A pedestrian-oriented, “Main Street” retail spine that services in-line retail frontage, and is visually defined through a combination of architecture, paving materials, plazas, open space, fountains, public art, landscaping, creative use of water retention/detention basins, and other design features. Large-format retail should be reserved for a few key “anchor” locations, and should incorporate the architectural and design features employed in the balance of the retail development.
- A pedestrian network which connects all of the retail uses to one another and to the nearby residential uses. Such pathways should include pedestrian amenities such as benches and picnic tables.
- Retail development characterized by a uniform architecture and design theme which incorporates complementary landscaping and streetscape improvements.

- Screening of parking from State Highway 35 by placing the retail buildings between Route 35 and the parking areas and/or a generous landscaped buffer through lawn areas, street trees, berms or other methods along the State Highway 35 frontage.
- Buildings oriented toward the Avenue of Memories in order to enhance the gateway into the Fort.
- Other creative amenities or layout concepts that would make the Property a destination that will attract visitors to Eatontown and the Fort.

Additionally, FMERA will require that the selected Potential Purchaser retain the iconic Johnston Gate arches and the monuments that line the Avenue of Memories in their current locations. The fencing along State Highway 35 may be removed.

Residential Development

All Offers should commit to build a total of 302 medium density residential units on the Property (and the Optional Property, if applicable). The Reuse Plan and Land Use Rules allow for a mix of stacked flats, stacked townhomes or apartments, however FMERA will also entertain Offers proposing to develop traditional townhouses on the Property (and the Optional Property, if applicable).

The Borough of Eatontown has expressed a strong preference that the residential units be marketed and sold as fee simple or condominium for-sale units, as opposed to rental units. In

evaluating the residential component of Offers, FMERA will ascribe the greatest weight to those proposing fee simple or condominium for-sale units, followed by rent-to-own (a/k/a lease to purchase) arrangements; rental housing (i.e. apartments) will receive the lowest weight.

Affordable Housing Requirement

Offers must include a commitment that the Potential Purchaser will comply with any and all legally imposed affordable housing requirements, including but not limited to setting aside twenty (20%) percent of the housing units developed on the Property (and the Optional Property, if applicable) as affordable housing. These units shall be affordable to low and moderate income households as determined by New Jersey law. The affordable units should be interspersed with the market-rate units wherever possible. While FMERA encourages the use of Low Income Housing Tax Credits (“LIHTCs”) or other public financing or subsidies as part of the Potential Purchaser’s funding mix, FMERA will reject any Offer that seeks to make the closing of title contingent on the Potential Purchaser’s receipt of LIHTCs or other financing or subsidies. The affordable housing component of the redevelopment may be accomplished directly by the Potential Purchaser or through a subcontract/joint venture arrangement with an affordable housing developer.

Zoning

The Reuse Plan currently calls for the westernmost 55± acres of the Property (i.e. closest to State Highway 35) to be developed as a lifestyle/mixed-use center, with the Property’s remaining 22± acres redeveloped as a technology incubator campus. FMERA’s intended reuse of the Property, as reflected in this RFOTP, now calls for the entire 77± acres to be developed as a lifestyle/mixed-use center, with all existing buildings to be demolished, including those that were to be devoted to the technology incubator campus.

Additionally, the Optional Property is currently identified in the Reuse Plan as the future municipal complex for the Borough of Eatontown. The Borough has determined that Mallette Hall, at 57,000 gsf, is larger than needed for this purpose; consequently, it no longer intends to acquire the Optional Property from FMERA. Eatontown supports the redevelopment of the Optional Property for commercial redevelopment or for incorporation into the lifestyle/mixed-use center envisioned for the Property. Note that both FMERA and the Borough encourage Prospective Purchasers to consider the reuse of the Optional Property’s outdoor amphitheater for community use.

After reviewing all Offers, and in consultation with the successful Potential Purchaser, FMERA plans to undertake a Reuse Plan amendment for the Property and the Optional Property (if applicable) incorporating the above described uses. Approval of a Reuse Plan amendment will be at the sole discretion of the FMERA Board.

Pursuant to FMERA’s Land Use Rules, the permitted land uses for the westernmost 55± acres of the Property are medium density residential, open space/recreation, mixed use and retail. Mixed use buildings have a three-story (45 feet) height limitation; retail buildings have a two-story (30

feet) limitation. No minimum lot area is required, but maximum permitted lot coverage is 75 percent. The requirements for medium density residential districts is as follows:

- Stacked flats (2 to 3 units stacked vertically in attached structures providing up to eight horizontal stacks per structure, total of 16 to 24 units per structure). Up to three stacked flat units may share one entrance at the first level.
- Apartment buildings with four or more units per building and with at least four units sharing each ground-level entrance.
- The maximum height for multi-family stacked flats and apartments buildings is three stories (45 feet).

Per the Land Use Rules, the recommended street facing building setback is 0-10 feet and for buildings adjoining Avenue of Memories, a minimum 30-foot setback should be provided. The side lot line setbacks are 10 feet minimum for each side for the residential uses (except that the side lot line setback between two attached structures constructed on individual lots shall be zero), 7 feet for retail and 0 feet for mixed use. Rear lot setbacks for residential are 20 feet minimum (garages may be located within the setback if they open in the rear alley), 25 feet for retail and 20 feet for mixed-use. The Rules specify that all lots shall have frontage on the street, rather than a rear parking lot or open space with no intervening street.

As indicated above, FMERA will entertain Offers that proposed townhouses or stacked townhomes on the Property (and the Optional Property, if applicable). For Offer purposes, Potential Purchasers may assume that the provisions of the Land Use Rules recited above will apply to the entire 77± acre Property. An amendment to the Reuse Plan by FMERA will also amend FMERA's Land Use Rules to be consistent with the amended Reuse Plan.

Optional Property

The Optional Property consists of 12± acres of land abutting Parcel B that includes Mallette Hall (Building 1207); Pruden Hall, its connected 300± seat indoor theater (Building 1206); an outdoor amphitheater; and surface parking. The existing improvements may be renovated or demolished. Mallette Hall is a 57,386± gsf circa 1953 office building that served as CECOM headquarters. The Reuse Plan currently contemplates that Mallette Hall would be renovated as Eatontown's future municipal center; the Borough, however, has indicated that it does not intend to pursue that use. Consequently, the building, along with the related uses described above, is available for an alternate non-residential use. Any Prospective Purchaser electing to include the Optional Property in its Offer should separately specify the additional price offered for the Optional Property as well as its intended use of the Optional Property (i.e. renovation of the improvements for office, administrative, technology, medical arts or other commercial use, or demolition of the improvements and integration of the 12± acre land parcel into the development project at the Property). Note that both FMERA and the Borough encourage Prospective Purchasers to consider the reuse of the Optional Property's outdoor amphitheater for community use.

1.1 THE PROPERTY

The Property provides Potential Purchasers excellent visibility from State Highway 35, a well-traversed artery through Monmouth County, and ready access to and from the Garden State Parkway, one of the most traveled highways in the State. In addition the Property is well situated with respect to public transportation, the local road network and area amenities. The Property consists of 77± acres of land currently improved with 13 commercial buildings, totaling approximately 883,000 sf. The buildings were constructed in 1953 and may contain asbestos and lead-based paint. The successful Potential Purchaser will be responsible for demolishing these improvements at its sole cost and expense. Potential Purchasers should take demolition costs into account in formulating their Offers. In addition, there is a geo-thermal well field on the Property which may be reused, abandoned or removed at the successful Potential Purchaser's discretion.

FMERA acquired title to the Phase 1 portion of the Property (i.e. the westernmost 55± acres) by deed from the Army in June 2014, and anticipates becoming the contract purchaser for the balance of the Property (i.e. the 22 acre easternmost portion of the Property) and the Optional Property under a yet to be finalized Phase 2 EDC Agreement with the Army. FMERA anticipates acquiring the 22-acre balance of the Property and the Optional Property in summer 2015. The Army issued an environmental clearance document, known as a Finding of Suitability

to Transfer (“FOST”), covering the Phase 1 portion of the Property (i.e. the westernmost 55± acres) in August 2013. The FOST can be found at:

http://www.pica.army.mil/FtMonmouth/Documents/2013%2008%2012%20FTMM%20finalFOS T%20P1_red.pdf.

The Army is currently preparing a FOST that will include the balance of Parcel B (i.e. the additional 22± acres) and the Optional Property and anticipates releasing it in spring 2015. That document will likely identify an area, known as ECP Parcel #38, requiring further investigation by the Army. Located at the Property’s northeast corner, this area was reportedly used as a pistol range between 1940 and 1955. ECP Parcel #38 is approximately 0.569 acre in size and is situated within an existing parking lot. Additional information is needed to fully characterize this site and determine if remedial action is necessary. The land affected by ECP Parcel #38 will be carved out of the deed from the Army to FMERA and conveyed separately following completion by the Army of any necessary remediation and New Jersey Department of Environmental Protection approval.

Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the Army will retain responsibility for any environmental contamination (other than asbestos, lead-based paint and commercially-applied pesticides and termiticides) that may be present on the Property and Optional Property as of the date of closing with FMERA. The selected Potential Purchaser will be afforded the opportunity to perform due diligence investigations prior to closing at its sole cost and expense.

Prospective Purchasers are hereby notified that registered pesticides may have been applied to the Property and Optional Property and may continue to be present. The Army has advised FMERA that where a pesticide was applied it was applied in accordance with its intended purpose and consistent with the Federal Insecticide, Fungicide, and Rodenticide Act (FIRA), 7 U.S.C. § 136, et seq., and other applicable laws and regulations. If the successful Prospective Purchaser takes any action with regard to the Property or Optional Property, including demolition of structures or any disturbance or removal of soil that may expose, or cause a release of, a threatened release of, or an exposure to, any such pesticide, it would assume all responsibility and liability therefore.

FMERA received title to the Phase 1 portion of the Property and expects to receive title to the Phase 2 portion of the Property and the Optional Property via quitclaim deed and will transfer title to the selected Potential Purchaser by quitclaim deed. The Property will be sold in “as is-where is” condition.

Entrance into Parcel B from State Highway 35 through the Johnston Gate

1.2 PERSONAL PROPERTY

Consistent with federal Base Realignment and Closure (“BRAC”) law, FMERA has held three public auctions of furniture, fixtures and equipment (“FF&E”) located within the 55± acre FMERA-owned portion of Parcel B. Additional FF&E auctions are planned in the buildings located on the 22± acres that FMERA will acquire in summer 2015. Any FF&E remaining on the Property and Optional Property after completion of the auctions will be included in the sale to the selected Potential Purchaser in “as-is where-is” condition.

1.3 FORT MONMOUTH’S REDEVELOPMENT STATUS

Fort Monmouth consists of 1,127 acres located in the Boroughs of Tinton Falls, Eatontown and Oceanport, New Jersey. Established in 1917 as Camp Little Silver, the Fort served as the home of the Signal Corps, and later CECOM, the Army’s Communications and Electronics Command. The Fort was designated for closure in the 2005 BRAC round, and formally closed in September 2011. FMERA entered into the Phase 1 EDC Agreement with the Army in June 2012, and took title to an initial property, a 55-acre tract in Tinton Falls known as Parcel E, in January 2013. FMERA subsequently sold Parcel E to CommVault, one of the nation’s leading data and information management software companies, for construction of a new headquarters complex for the company. CommVault occupied the first building in the complex, a 275,000 sf facility for 900 employees, in late 2014. The company has approvals in hand to develop up to 650,000 sf for an estimated 2,500 employees.

CommVault's new headquarters located in the Tinton Falls section of Fort Monmouth

FMERA acquired the former Patterson Hospital from the Army and sold it to AcuteCare Health System in March 2014. AcuteCare is renovating the 100,000 sf building for use as an outpatient health clinic. The facility is scheduled to open in the 1st Quarter of 2015.

Rendering of AcuteCare's renovated facility

FMERA is currently in negotiations with developers for the sale of seven other parcels, four of which are located in Tinton Falls and three in Oceanport. Another fifteen parcels, ranging from individual buildings to large land tracts, are either open for bids or will be released for proposals within the next six months.

At full buildout in approximately twelve years, the Fort is projected to include:

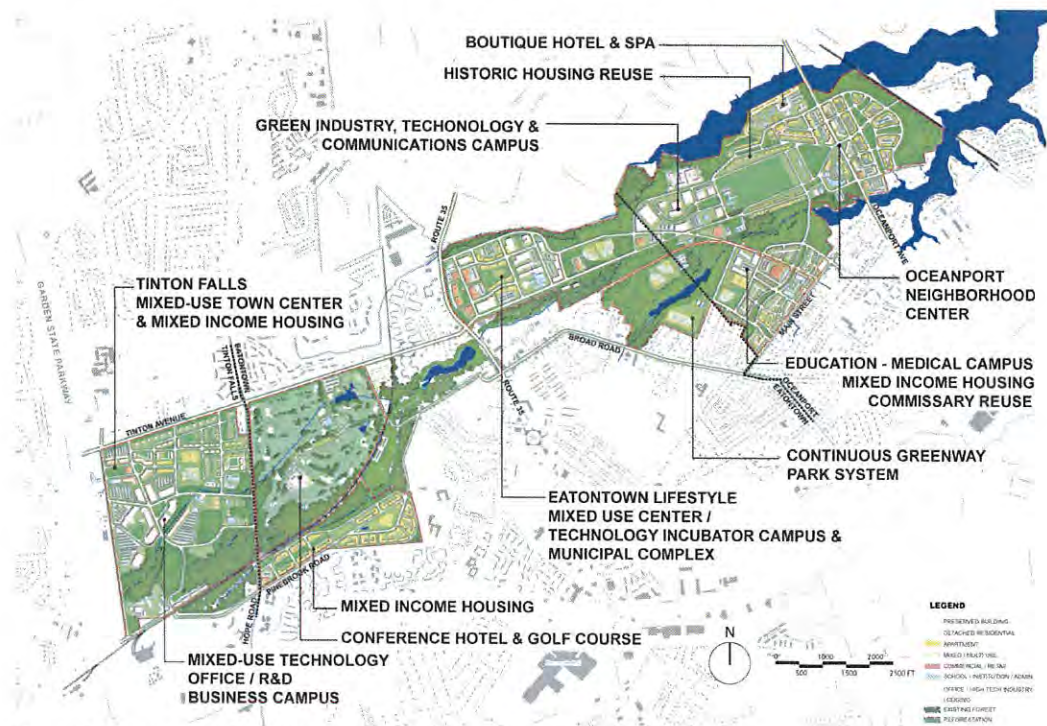

- 1,585 housing units, with over 4,000 new residents
- 300,000 sf of non-profit, civic, government and educational uses
- 500,000 sf of retail space
- 2,000,000 sf of office, research & development and other commercial uses

Total development costs are estimated at \$1.5 billion, generating 10,000 permanent jobs.

Fort amenities are anticipated to include:

- preservation of approximately 40% of the Fort's land area as recreational and passive open space
- creation of a system of bicycle lanes, pedestrian paths and/or multi-purpose trails
- dedication of an interconnected blue/green belt spanning the Fort
- a shuttle system linking the Fort with mass transit, including the Little Silver train station
- improved access to the Garden State Parkway via a new interchange (Exit 105A)

In addition to the above amenities, the Reuse Plan calls for the Fort to also be home to a renovated fitness center, bowling alley, performing art center/theater, golf course and marina.

Fort Monmouth's 20-year Concept Plan

1.4 UTILITIES

When the Fort was active, the Army provided utility service via government-owned systems. In the 1990s, the Army entered into an agreement with New Jersey Natural Gas to install gas mains on the Fort, including the streets abutting and traversing the Property. Water service will be provided by New Jersey American Water Company, and sewer service will be provided by the Borough of Eatontown. In the case of water service, trunk infrastructure will be available at State Highway 35; the Eatontown sanitary sewer interceptor is within 1,500' of the property border.

The selected Potential Purchaser will be responsible for making any needed improvements or upgrades to utility infrastructure within the footprint of the Property. This work will include reconstruction of Avenue of Memories from State Highway 35 to the Property's eastern boundary; after completing reconstruction, the selected Potential Purchaser will be required to dedicate Avenue to Memories to the County of Monmouth as a public right of way at no cost to FMERA, the Borough of Eatontown or the County. The selected Potential Purchaser may also be required to dedicate DeRum Avenue and the portion of North Drive lying with the Property as public rights-of-way at no cost to FMERA, the County or the Borough. Note, however, that the location of these streets may be altered if FMERA determines that an alternate road alignment better serves the project and/or the overall redevelopment of the Fort. Potential Purchasers proposing developments that exceed the Property's 250,000 sf projected buildout will also be expected to contribute toward off-site improvements to the extent required by their proposed development.

The intersection of State Highway 35 and Avenue of Memories is signalized, with four traffic lanes in each direction and a dedicated left turn lane. In addition, there is a right-turn only exit from the Property onto State Highway 35 which is located about 1,000 feet north of the Johnston Gate. FMERA will work cooperatively with the selected Potential Purchaser to evaluate and fund any necessary upgrades to access from State Highway 35.

1.5 INFRASTRUCTURE DISTRICT; SALES TAXES

The state statute creating FMERA, P.L. 2010, c.10 (N.J.S.A. 52:27I-18 et seq.), allows FMERA to create infrastructure districts to support the redevelopment of the Fort. Retail sales within the districts will be exempt to the extent of 50% of the retail sales taxes (except taxes generated from the retail sale of motor vehicles, alcoholic beverages, cigarettes or energy) normally collected by the State of New Jersey, and FMERA may collect a franchise assessment not to exceed the remaining 50% of retail sales taxes normally collected, to be used by FMERA toward infrastructure improvements, or parking or transportation facilities, or work that reduces, abates, or prevents environmental pollution, or other improvements that provide a public benefit within or to an infrastructure district. FMERA may, at its Board's discretion, opt to collect less than 50% of normal sales taxes through the franchise assessment, effectively allowing retailers to charge less than the 7% sales tax imposed under the New Jersey Sales and Use Tax Act.

The Purchase and Sale & Redevelopment Agreement between FMERA and the Prospective Purchaser will require that, in the event FMERA creates an infrastructure district that includes

the Property (and the Optional Property, if applicable) within its boundaries, the Potential Purchaser and any tenants operating a retail business on the Property shall apply to be certified retail vendors.

2.0 PREVAILING WAGE REQUIREMENT

The Potential Purchaser shall comply with the Prevailing Wage requirements set forth in N.J.S.A. 52:27I-31 (P.L. 2010, c. 51). This requirement pertains to all demolition, utility, infrastructure, site preparation and vertical construction proposed on the Property (and the Optional Property, if applicable) as part of the approved project. Prospective Purchasers should take Prevailing Wage requirements into account in formulating Offers.

2.1 ADDITIONAL TERMS OF SALE

Pursuant to FMERA's Land Use Rules, all purchasers of real estate on Fort Monmouth must enter into a redevelopment agreement, which FMERA addresses through a combined purchase and sale & redevelopment agreement (PSARA). The PSARA will contain the following provisions, which will be covenants running with the land until the redeveloper completes the project:

- i. A provision limiting the use of the Property (and the Optional Property, if applicable) to the uses permitted by the Reuse Plan or an amendment to the Reuse Plan as approved by the FMERA Board and uses permitted by the Land Use Rules;
- ii. A provision requiring the redeveloper to commence and complete the project within a period of time that FMERA deems reasonable; and
- iii. A provision restricting transfer of the Property (and the Optional Property, if applicable) or the redeveloper's rights under the PSARA prior to completion of the project.

The PSARA will require the redeveloper to guaranty its project commencement and completion and job creation obligations by posting bonds or providing other assurances or penalties. See Section 6(h) below for additional information regarding job creation requirements.

3.0 PUBLIC INSPECTION OF DOCUMENTS

Due diligence material and documents held by FMERA pertaining to the Property, the Optional Property and/or building(s) will be made available for the review and inspection by Potential Purchaser(s) during normal business hours at the FMERA office located at Fort Monmouth, New Jersey. Interested Potential Purchasers may make copies of the paper documents. Please note: FMERA does not warrant the accuracy or completeness of any documents originated by the Army or other sources. Copies of any documents requested that are larger than legal size shall be made at the expense of the Potential Purchaser. A copy of digital files will also be available upon request without charge. Limited materials and documents will be available for review and inspection during the tour referred to in Section 4.0 below.

Materials made available by FMERA for public inspection are offered “as is” and “where is” and they may include pertinent information regarding building plans, the environmental conditions, utility access, and other information related to these facilities. However, FMERA shall not be held responsible or liable for the accuracy or inaccuracy of such information or materials reviewed or obtained. All Potential Purchasers shall be wholly responsible for their own due diligence efforts. Any information obtained by the Potential Purchaser shall become the property of the Authority immediately upon the Potential Purchaser’s submission of its Offer and the release of such information by the Potential Purchaser to a third party shall only be made with the written approval of the Authority.

4.0 PRE-PROPOSAL MEETING; TOURS

4.1 Pre-Proposal Meeting

FMERA and its real estate broker, Cushman & Wakefield, will host an optional pre-proposal meeting at its office on Fort Monmouth. The date of the meeting will be published in an addendum no later than March 1, 2015. The meeting will feature presentations regarding the Property and Optional Property, the status of the Fort’s redevelopment, FMERA’s development process, and the perspective of the Borough of Eatontown, followed by a question and answer session and tour of the Property. Please email Regina McGrade at rmcgrade@njeda.com to confirm your attendance.

The Authority further reserves the right to make such investigations as it deems necessary as to the qualifications of any and all firms submitting Offers. In the event that all Offers are rejected, the Authority reserves the right to re-solicit Offers.

The Authority reserves the right to exclude from negotiations any and/or all Offers received based on the initial submissions. Responding Potential Purchasers may withdraw their Offers at any time prior to the final filing date and time, as indicated on the cover page to this RFOTP, by written notification signed by an authorized agent of the firm(s). The responding Potential Purchaser assumes sole responsibility for the complete effort required in this RFOTP. No special consideration shall be given after the Offers are opened because of a Potential Purchaser's failure to be knowledgeable about all requirements of this RFOTP. By submitting an Offer in response to this RFOTP, the Potential Purchaser represents that it has satisfied itself, from its own investigation, of all of the requirements of this RFOTP.

By submitting an Offer in response to this RFOTP, each Potential Purchaser agrees to hold its Offer open for at least ninety (90) days after the response due date. Any provision in a submitted Offer that attempts to limit or condition the time that an Offer is open for consideration by FMERA will not be binding on FMERA. FMERA reserves the right, upon good cause shown to the satisfaction of FMERA's staff, to allow a Potential Purchaser to withdraw its Offer after Offers have been opened.

Documents and information submitted in response to this RFOTP shall become property of the Authority and generally shall be available to the general public as required by applicable law, including the New Jersey Open Public Meetings Act, N.J.S.A. 10:4-1 et seq., the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 et seq. and New Jersey right-to-know laws.

Communications with representatives of the Authority by the Potential Purchaser or the Potential Purchaser's representatives concerning this RFOTP are **NOT** permitted during the term of the submission and evaluation process. Communications regarding this RFOTP in any manner (except as set forth in Sections 4.1 and 4.2 above and Section 7 below or negotiations initiated by the Authority) **will result in the immediate rejection** of the Potential Purchaser's Offer.

6.0 OFFER REQUIREMENTS

In order to be considered, all offers to purchase from the Authority must include the following:

- a. **Cover Letter.** A letter identifying the Offer and disclosing the documentation included. The Potential Purchaser must indicate the name and contact information for the individual who will be its senior contract person for its Offer. The Potential Purchaser must also indicate whether the firm is operating as an individual proprietorship, partnership, corporation, a joint venture or a governmental entity. The cover letter should also indicate the state of incorporation of the Potential Purchaser.

INFORMATION AND INSTRUCTIONS
For Completing The "Two- Year Vendor Certification and Disclosure of Political Contributions" Forms

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued Executive Order 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, Executive Order 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. Executive Order 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 ("Chapter 51").

On September 24, 2008, Governor Jon S. Corzine issued Executive Order No. 117 ("E.O. 117"), which is designed to enhance New Jersey's efforts to protect the integrity of procurement decisions and increase the public's confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State, the Certification and Disclosure of Political Contributions form (CH51.1R1/21/2009) is valid for a two (2) year period. Thus, if a vendor receives approval on Jan 1, 2009, the certification expiration date would be Dec 31, 2011. Any change in the vendor's ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/EO117 forms to the State Review Unit. **Please note that it is the vendor's responsibility to file new forms with the State should these changes occur.**

Prior to the awarding of a contract, the agency should first send an e-mail to CD134@treas.state.nj.us to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
