REQUEST FOR OFFERS TO PURCHASE FOR THE SALE OF REAL AND PERSONAL PROPERTY

Summary

The Fort Monmouth Economic Revitalization Authority (“FMERA” or the “Authority”), a state authority created pursuant to P.L. 2010, c.10 (N.J.S.A. 52:27I-18 et seq.), is responsible for the orderly and comprehensive redevelopment of Fort Monmouth. In furtherance of its mission, FMERA is hereby seeking offers from individuals or entities to acquire property that will be sold by the Authority. This request for offers to purchase (“RFOTP”) is being issued under FMERA’s rules for the sale of real and personal property (N.J.A.C. 19:31C-2, the “Sales Rules”). The purchase agreement between the Authority and the successful Potential Purchaser shall be subject to the terms and provisions of the Sales Rules and the Phase 2 Economic Development Conveyance Agreement (“EDC Agreement”) between FMERA and the Army. Reuse of the property will be subject to the Fort Monmouth Reuse and Redevelopment Plan (the “Reuse Plan”), which is the master plan for Fort Monmouth, and FMERA’s land use regulations and design and development guidelines (N.J.A.C. 19:31C-3, the “Land Use Rules”), which govern the zoning and land use for the Fort. The Reuse Plan and the Land Use Rules supersede the master plan, the zoning and land use ordinance and regulations, and the zoning map of the Borough of Oceanport and Monmouth County development regulations, except for procedures for site plan and subdivision approval. The Reuse Plan and the Land Use Rules can be found at: <http://www.fortmonmouthnj.com/developer-information/>.

1.0 PURPOSE

The Authority is requesting offers to purchase (the “Offer”) from qualified individuals or entities (the “Potential Purchaser(s)” or “Bidders”) interested in purchasing an approximately 12.6± acre parcel of land containing five buildings (Buildings 196, 199, 209, 210 and 359) totaling approximately 88,129 gsf located on Barton and Signal Avenues in the Main Post Area of Fort Monmouth (the “Property”). The parcel map can be found in ATTACHMENT #1 of this RFOTP. In addition, Potential Purchasers may, but are not required to, submit a separate offer for the adjacent Lodging Area Parcel for a joint proposal that includes complementary or combined uses. Please visit <http://www.fortmonmouthnj.com/bidding-opportunities/open-rfprfotps/> for the Lodging Area RFOTP.

The Authority is requesting Bids that are consistent with certain allowable uses set forth in FMERA’s Land Use Rules but excluding residential uses, as more fully described in Section 1.3 below.

FMERA is seeking proposals for Allison Hall that reuse the 36,665 gsf building as a boutique hotel, although FMERA will accept proposals that include the repurpose of Allison Hall for an alternate non-residential use allowed by the Land Use Rules. Proposals that include a

commercial development on the parcel's acreage fronting Oceanport Avenue should take into account the adjacent uses, and include adequate parking per FMERA's Land Use Rules.

Any development that is not consistent with the Reuse Plan, also described in Section 1.3 below, will require an amendment to the Reuse Plan or, if applicable, a "use-type variance". Any Reuse Plan amendment and "use-type variance" is subject to approval by the FMERA Board, in its sole discretion, in accordance with the Land Use Rules.

In addition to a price proposal, the Offers must include a plan for the redevelopment of the Property for a use consistent with the Land Use Rules as described in this RFOTP.

The Property will be sold "As Is – Where Is."

1.1 THE PROPERTY

Allison Hall Complex circa 1970

Historic Allison Hall, Building 209

The Property consists of 12.6± acres of land and Buildings 196, 199, 209, 210 and 359 (approximately 88,129 gsf) located along Barton and Signal Avenues in the Oceanport section of the Fort, and is bordered by Oceanport Avenue to the east. A portion of the Property is located within the Fort Monmouth National Register Historic District, and Building 209 is considered a contributing resource to the Historic District and is subject to historic preservation covenants, available at ATTACHMENT #2.

FMERA holds title to the Property subject to the terms of the EDC Agreement and the Army's environmental clearance document, the Finding of Suitability to Transfer ("FOST"). The Army's FOST for the Main Post can be accessed at <http://www.pica.army.mil/FtMonmouth/Documents/ATT3-FinalPhase2FOST.PDF>. Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), the Army will retain responsibility for any environmental contamination (other than asbestos, lead-based paint, mold, petroleum products and their derivatives, PAHs and commercially-applied pesticides and termiticides) that may be present on the Property as of the date of closing with FMERA. The selected Potential Purchaser will be afforded the opportunity to perform due diligence investigations prior to closing at its sole cost and expense.

Bidders are hereby notified that registered pesticides may have been applied to the Property and may continue to be present. The Army has advised FMERA that where a pesticide was applied it was applied in accordance with its intended purpose and consistently with the Federal Insecticide, Fungicide, and Rodenticide Act (FIRA), 7 U.S.C. § 136, et seq., and other applicable laws and regulations. If the selected Bidder takes any action with regard to the Property, including demolition of structures or any disturbance or removal of soil that may expose, or cause a release of, a threatened release of, or an exposure to, any such pesticide, the selected Bidder would assume all responsibility and liability therefore.

1.2 PERSONAL PROPERTY

Consistent with federal Base Realignment and Closure ("BRAC") law, FMERA intends to sell the remaining furniture, fixtures and equipment by public auction prior to closing with the

purchaser of the Property. Any such furniture, fixtures, and equipment remaining after completion of the auction(s) will be conveyed to the selected Potential Purchaser along with the real estate in as-is where-is condition.

1.3 DEVELOPMENT OF THE PROPERTY

FMERA seeks to sell the Property to a Potential Purchaser who will develop the Property for the following non-residential uses allowed by the Land Use Rules in the Oceanport Horseneck development district: a boutique hotel in Building 209 and retail, office/research, and open space/recreation uses on the remainder of the site. FMERA will also accept proposals that include the repurpose of Allison Hall for an alternate non-residential use allowed by the Land Use Rules. One possible option is to incorporate Allison Hall into a combined project along the Parker's Creek waterfront that includes both the Allison Hall parcel and the adjacent Lodging Area with a boutique hotel constructed in an alternate location. Please see the Lodging Area Parcel RFOTP available on FMERA's website for more information.

The Reuse Plan envisions the portion of the Property fronting along Oceanport Avenue south of the intended extension of Signal Avenue as a mixed-use (retail, office, and residential) site, providing a walkable site for local residents. This area of the Property is shown as a portion of the Oceanport Village Center in the Reuse Plan, and should serve as a gateway to the Oceanport area of the Fort, as well as the Fort Monmouth National Historic District.

The Reuse Plan also envisions the creation of a scenic waterfront promenade along Parkers Creek, which shall be extended by the selected Potential Purchaser, at its sole cost and expense, from Oceanport Avenue to link with the adjacent Lodging Area and Officer Housing developments to the west of the Property.

The Reuse Plan includes the reuse of Allison Hall as office space. The remaining buildings (196, 199, 210 and 359) are all slated for demolition in the Reuse Plan.

Please note, where a proposed development is determined by FMERA to be inconsistent with the Reuse Plan -- such as the use of Allison Hall for a boutique hotel, the demolition of buildings intended for reuse, or the reuse of buildings slated for demolition -- or the permitted uses in the Land Use Rules, FMERA shall require the adoption of either a Reuse Plan amendment or a "use-type" variance prior to approval of the application for development. Because this RFOTP excludes residential uses, which the Reuse Plan intends for a portion of the Property, development as sought under this RFOTP is subject to a Reuse Plan amendment or a "use-type" variance. Pursuant to the FMERA Act and Land Use Rules, FMERA's Board may amend the Reuse Plan in its sole discretion to accommodate a development concept that is not consistent with the Reuse Plan and Land Use Rules.

A portion of the Property is located within the Fort Monmouth Historic District, and Allison Hall is considered a contributing historic resource and is subject to historic preservation covenants. These covenants and other information regarding historic preservation requirements can be found in ATTACHMENT #2: *Programmatic Agreement Among the United States Army and the New Jersey State Historic Preservation Officer for the Closure and Disposal of Fort Monmouth,*

New Jersey. Redevelopment of the Property will require review by the Fort Monmouth Historic Preservation Advisory Committee, as well as a project authorization from the State's Historic Preservation Officer within the New Jersey Department of Environmental Protection. Bidders can find more information on the Fort Monmouth Historic District in the Historic District Design Guidelines available online here: <http://www.fortmonmouthnj.com/developer-information/land-use-regulations/>.

1.4 FORT MONMOUTH'S REDEVELOPMENT STATUS

Fort Monmouth consists of 1,127 acres located in the Boroughs of Tinton Falls, Eatontown and Oceanport, New Jersey. Established in 1917 as Camp Little Silver, the Fort served as the home of the Signal Corps, and later CECOM, the Communications and Electronics Command. The Fort was designated for closure in the 2005 BRAC round, and formally closed in September 2011. FMERA entered into the first of two EDC Agreement with the Army in June 2012, and took title to an initial property, a 55-acre tract in Tinton Falls known as Parcel E, in January 2013. FMERA subsequently sold Parcel E to Commvault, one of the nation's leading data and information management software companies, for construction of a new headquarters complex for the company. Commvault occupied the first building in the complex, a 275,000 sf facility for 900 employees, in late 2014. The company has approvals in hand to develop up to 650,000 sf for an estimated 2,500 employees.

Commvault's new Headquarters on Fort Monmouth

FMERA acquired the former Patterson Hospital from the Army and sold it to AcuteCare Health System in March 2014. AcuteCare is renovating the 100,000 sf building for use as an outpatient health clinic. The facility opened in the 1st Quarter of 2015.

AcuteCare's renovated facility

FMERA acquired the former Building 2525 in Tinton Falls from the Army and sold it to RADAR Properties in February 2016. RADAR will lease approximately 30,000 square feet of the building to AASKI Technology, Inc., a defense contractor and communications engineering firm, one of the fastest growing private companies in the nation.

FMERA acquired Building 2290 in Tinton Falls from the Army and sold it to Trinity Hall Corporation in March 2016. Trinity Hall is renovating the 19,600 square foot former child development center building for use as a private high school for girls. The facility opened in September 2016 for the 2016-2017 school year.

FMERA is currently in negotiations with developers for the sale or lease of seventeen other parcels. Another three parcels, ranging from individual buildings to large land tracts, will be released for proposals by year end.

At full buildout in approximately twelve years, the Fort is projected to include:

- 1,585 housing units, with over 4,000 new residents
- 300,000 sf of non-profit, civic, government and educational uses
- 500,000 sf of retail space
- 2,000,000 sf of office, research & development and other commercial uses

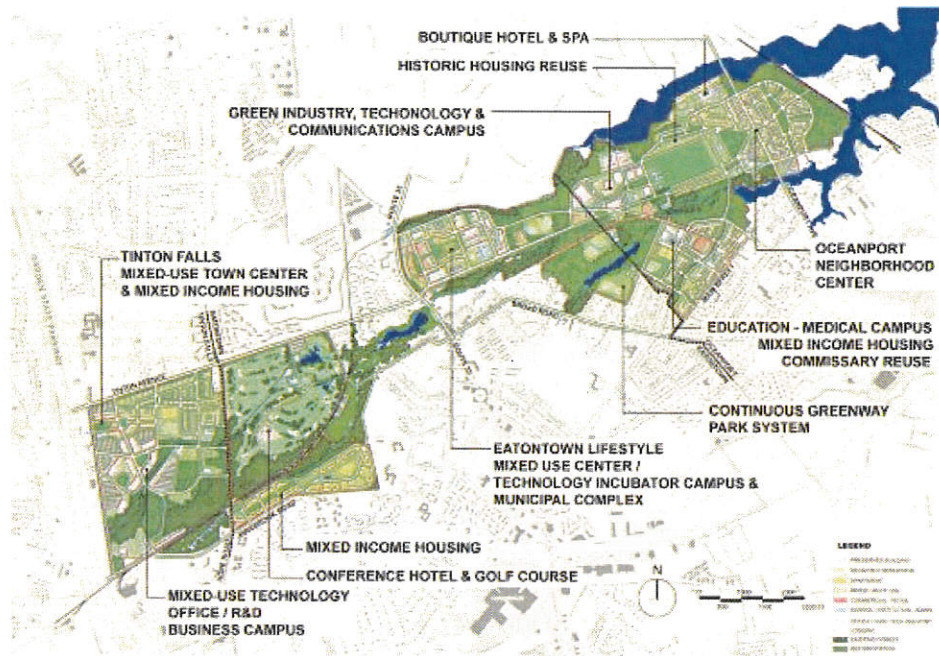

Total development costs are estimated at \$1.5 billion, generating 10,000 permanent jobs.

Fort amenities are anticipated to include:

- preservation of approximately 40% of the Fort's land area as recreational and passive open space

- creation of a system of bicycle lanes, pedestrian paths and/or multi-purpose trails
- dedication of an interconnected blue/green belt spanning the Fort
- a shuttle system linking the Fort with mass transit, including the Little Silver train station
- improved access to the Garden State Parkway via a new interchange (Exit 105A)

In addition to the above amenities, the Fort plans to also be home to a renovated fitness center, bowling alley, performing arts center/theater, golf course, and marina.

Fort Monmouth's 20-year Concept Plan

1.5 UTILITIES

The Property is directly served by New Jersey Natural Gas Company and the Potential Purchaser will be responsible for establishing an account. Electric power, water and sanitary sewer service are currently provided over former Army systems. For a transitional period FMERA will continue to service Allison Hall over the existing systems which, if occupied, will have to be metered by the selected Purchaser, at no cost or expense to FMERA. The selected Purchaser, at its sole cost and expense, will also be required to establish metered electrical service with Jersey Central Power & Light Company.

The selected Potential Purchaser, at its sole cost and expense, will be responsible for connecting the Property to an existing New Jersey American Water Company water main in Oceanport Av. For an interim period, Allison Hall will continue to receive sanitary sewer service through the Fort's existing sewer system. FMERA anticipates that the existing system will be taken off line within approximately three (3) years. By that time, the selected Potential Purchaser will be responsible for constructing and/or funding a new sewer main on Barton Av, running south from the intersection of Barton and Signal Aves to the alley just south of Carty Av (a distance of

approximately 500 feet), where it will connect to the new system. In addition, the selected Potential Purchaser will be required to grant an easement over the Property for no consideration to the purchaser of the abutting Lodging Area Parcel for that developer's installation of a sewer main connecting the Lodging Area to a future trunk line in Oceanport Av.

Note: The selected Purchaser will be responsible for Allison Hall's utility costs and property maintenance expenses beginning three (3) months after execution of a contract to purchase the Property, and for the balance of the Property beginning twelve (12) months after executing a purchase contract, whether or not the Purchaser has closed on the Property.

1.6 INFRASTRUCTURE DISTRICT; SALES TAXES

The state statute creating FMERA, P.L. 2010, c.10 (N.J.S.A. 52: 27I-18 et seq.), allows FMERA to create infrastructure districts to support the redevelopment of the Fort. Retail sales within the districts will be exempt to the extent of 50% of the retail sales taxes (except taxes generated from the retail sale of motor vehicles, alcoholic beverages, cigarettes or energy) normally collected by the State of New Jersey, and FMERA may collect a franchise assessment not to exceed the remaining 50% of retail sales taxes normally collected, to be used by FMERA toward on-site or off-site infrastructure improvements, or parking or transportation facilities, or work that reduces, abates, or prevents environmental pollution, or other improvements that provide a public benefit within or to an infrastructure district. FMERA may, at its Board's discretion, opt to collect less than 50% of normal sales taxes through the franchise assessment, effectively allowing retailers to charge less than the sales tax imposed under the New Jersey Sales and Use Tax Act.

The Purchase and Sale & Redevelopment Agreement between FMERA and the prospective Purchaser will require that, in the event FMERA creates an infrastructure district that includes the Property within its boundaries, the Potential Purchaser and any tenants operating a retail business on the Property will apply to be a certified retail vendor. This requirement will be set forth as a deed covenant and run with the land.

2.0 PREVAILING WAGE REQUIREMENT

Prevailing wage will apply only to the extent that a project includes "public work" as that term is defined in the State Prevailing Wage Act, N.J.S.A. 34:11-56.25 et seq., or if the applicant receives financial assistance from FMERA, the State or any other State entity. Notwithstanding the foregoing, any work (including but not limited to demolition, renovation or utility work) performed on the Property prior to the transfer of title to the selected Purchaser shall also be subject to prevailing wage requirements.

2.1 ADDITIONAL TERMS OF SALE

Pursuant to FMERA's Land Use Rules, all purchasers of real estate on Fort Monmouth must enter into a redevelopment agreement, which FMERA addresses through a combined purchase and sale/redevelopment agreement (PSARA). The PSARA will include the following provisions, which will be covenants running with the land until the redeveloper completes the project:

- i. A provision limiting the use of the Property to the uses permitted by the Reuse Plan or an amendment to the Reuse Plan as approved by the FMERA Board and uses permitted by the Land Use Rules;
- ii. A provision requiring the redeveloper to commence and complete the Project within a period of time that FMERA deems reasonable; and
- iii. A provision restricting the transfer of the Property or the redeveloper's rights under the PSARA prior to completion of the project.

The PSARA will require the redeveloper to guaranty its project commencement and completion and job creation obligations by posting bonds or providing other assurances or penalties. See section 6(h) below for additional information regarding job creation requirements.

3.0 PUBLIC INSPECTION OF DOCUMENTS

Due diligence material and documents held by FMERA pertaining to the Property and/or building(s) will be made available for the review and inspection by Potential Purchaser(s) during normal business hours at the FMERA office located at Fort Monmouth, New Jersey. Interested Potential Purchaser(s) may make copies of the paper documents. **Please note:** FMERA does not warrant the accuracy or completeness of any documents originated by the Army or other sources. Copies of any documents requested that are larger than legal size shall be made at the expense of the Potential Purchaser(s). A copy of digital files will also be available upon request without charge. Limited materials and documents will be available for review and inspection during the tour referred to in Section 4.0 below.

Materials made available by FMERA for public inspection are offered "as is" and "where is" and they may include pertinent information regarding the buildings plans, environmental conditions, utility access, and other information related to these facilities. However, FMERA shall not be held responsible or liable for the accuracy or inaccuracy of such information or materials reviewed or obtained. All Potential Purchaser(s) shall be wholly responsible for their own due diligence efforts. Any information obtained by the Potential Purchaser(s) shall become the property of the Authority immediately upon the Potential Purchaser's submission of its Offer and the release of such information by the Potential Purchaser to a third party shall only be made with the written approval of the Authority.

4.0 TOURS

All requests for a walk-through tour of the property are due by March 24, 2017 and the walk-throughs will commence on January 4, 2017 at 10:00 A.M. Please schedule a walk-through tour by contacting Regina McGrade at rmcgrade@njeda.com or 732-720-6350.

Standard Preservation Covenant For Conveyance Of Property That Contains Historic Buildings And Structures

1. In consideration of the conveyance of certain real property hereinafter referred to as (name of property), located in the (name of county), (name of state), which is more fully described as: (Insert legal description), (Name of property recipient) hereby covenants on behalf of (himself/herself/itself), (his/her/its) heirs, successors, and assigns at all times to the (name of NJSHPO parent organization) to preserve and maintain (name of property) in accordance with the recommended approaches in the Secretary of the Interior's Standards for Rehabilitation and Illustrated Guidelines for Rehabilitating Historic Buildings (U.S. Department of the Interior, National Park Service 1992 (This and updates can be found at www2.cr.nps.gov/tps/tax/rhb , as available on 22 November 2004)) in order to preserve and enhance those qualities that make (name of historic property) eligible for inclusion in/or resulted in the inclusion of the property in the National Register of Historic Places. If (Name of property recipient) desires to deviate from these maintenance standards, (Name of property recipient) will notify and consult with the (name of state) Historic Preservation Officer in accordance with paragraphs 2, 3, and 4 of this covenant.

2. (Name of property recipient) will notify the appropriate (name of state) Historic Preservation Officer in writing prior to undertaking any construction, alteration, remodeling, demolition, or other modification to structures or setting that would affect the integrity or appearance of (name of historic property). Such notice shall describe in reasonable detail the proposed undertaking and its expected effect on the integrity or appearance of (name of historic property).

3. Within thirty (30) calendar days of the appropriate (name of state) Historic Preservation Officer's receipt of notification provided by (name of property recipient) pursuant to paragraph 2 of this covenant, the NJSHPO will respond to (name of property recipient) in writing as follows:

a. That (name of property recipient) may proceed with the proposed undertaking without further consultation;

b. That (name of property recipient) must initiate and complete consultation with the (name of state) Historic Preservation office before (he/she/it) can proceed with the proposed undertaking.

If the NJSHPO fails to respond to the (name of property recipient)'s written notice, as described in paragraph 2, within thirty (30) calendar days of the NJSHPO's receipt of the same, then (name of property recipient) may proceed with the proposed undertaking without further consultation with the NJSHPO.

4. If the response provided to (name of property recipient) by the NJSHPO pursuant to paragraph 3 of this covenant requires consultation with the NJSHPO, then both parties

will so consult in good faith to arrive at mutually-agreeable and appropriate measures that (name of property recipient) will implement to mitigate any adverse effects associated with the proposed undertaking. If the parties are unable to arrive at such mutually-agreeable mitigation measures, then (name of property recipient) shall, at a minimum, undertake recordation for the concerned property—in accordance with the Secretary of Interior's standards for recordation and any applicable state standards for recordation, or in accordance with such other standards to which the parties may mutually agree—prior to proceeding with the proposed undertaking. Pursuant to this covenant, any mitigation measures to which (name of property recipient) and the NJSHPO mutually agree, or any recordation that may be required, shall be carried out solely at the expense of (name of property recipient). The mandatory recordation and documentation of structures proposed for demolition or substantial alteration will be archived in an appropriate repository designated by the NJSHPO.

5. The (name of NJSHPO parent organization) shall be permitted at all reasonable times to inspect (name of historic property) in order to ascertain its condition and to fulfill responsibilities hereunder.

6. In the event of a violation of this covenant, and in addition to any remedy now or hereafter provided by law, the (name of NJSHPO parent organization) may, following reasonable notice to (name of recipient), institute suit to enjoin said violation or to require the restoration of (name of historic property). The successful party shall be entitled to recover all costs or expenses incurred in connection with such a suit, including all court costs and attorneys fees.

7. In the event that the (name of historic property) (i) is substantially destroyed by fire or other casualty, or (ii) is not totally destroyed by fire or other casualty, but damage thereto is so serious that restoration would be financially impractical in the reasonable judgment of the Owner, this covenant shall terminate on the date of such destruction or casualty. Upon such termination, the Owner shall deliver a duly executed and acknowledged notice of such termination to the (name of NJSHPO parent organization), and record a duplicate original of said notice in the (name of county) Deed Records. Such notice shall be conclusive evidence in favor of every person dealing with the (name of historic property) as to the facts set forth therein.

8. (Name of recipient) agrees that the (name of NJSHPO parent organization) may at its discretion, without prior notice to (name of recipient), convey and assign all or part of its rights and responsibilities contained herein to a third party.

9. This covenant is binding on (name of recipient), (his/her/its) heirs, successors, and assigns in perpetuity, unless explicitly waived by the (name of NJSHPO parent organization). Restrictions, stipulations, and covenants contained herein shall be inserted by (name of recipient) verbatim or by express reference in any deed or other legal instrument by which (he/she/it) divests (himself/herself/itself) of either the fee simple title or any other lesser estate in (name of property) or any part thereof.

10. The failure of the (name of NJSHPO parent organization) to exercise any right or remedy granted under this instrument shall not have the effect of waiving or limiting the exercise of any other right or remedy or the use of such right or remedy at any other time.

11. The covenant shall be a binding servitude upon (name of historic property) and shall be deemed to run with the land. Execution of this covenant shall constitute conclusive evidence that (name of recipient) agrees to be bound by the foregoing conditions and restrictions and to perform the obligations herein set forth.

Standard Preservation Covenant For Conveyance Of Property That Includes
Archeological Sites

In consideration of the conveyance of the real property that includes the (official number(s) designation of archeological site(s)] located in the County of [name of county], New Jersey, which is more fully described as [insert legal description], (Name of property recipient] hereby covenants on behalf of [himself/herself/itself], [his/her/its] heirs, successors, and assigns at all times to the (name of NJSHPO parent organization), to maintain and preserve [official number(s) designation of archeological site(s)], by carrying out measures as follows:

1. These archeological sites have been determined by the NJSHPO to be eligible for the National Register of Historic Places. No disturbance of the ground surface or any other thing shall be undertaken or permitted to be undertaken for these sites which would affect the physical integrity of these sites without the express prior written permission of the NJSHPO, signed by a fully authorized representative thereof. Should the NJSHPO require, as a condition of the granting of such permission, that (Name of property recipient) conduct archeological data recovery operations or other activities designed to mitigate the adverse effect of the proposed activity on an archaeological site, (Name of property recipient) shall at its own expense conduct such activities in accordance with the Secretary of the Interior's Standards and Guidelines for Archaeological Documentation (48 FR 44734-37) and such standards and guidelines as the NJSHPO may specify, including but not limited to standards and guidelines for research design, conduct of field work, conduct of analysis, preparation and dissemination of reports, disposition of artifacts and other materials. (Name of property recipient) shall also consult with Native American governments having standing regarding disposition of funerary and human remains.
2. If Native American human remains are encountered at any time on these archeological sites, (Name of property recipient) shall notify and consult with the (appropriate) affiliated Federally recognized Indian tribe (s) to determine appropriate treatment measures for these human remains in agreement with 36 CFR 800.13(b). It shall be the responsibility of (Name of property recipient) to either preserve in place or repatriate these human remains, depending on the agreed upon determination of the tribe(s).
3. (Name of property recipient) shall make every reasonable effort to prevent any person from vandalizing or otherwise disturbing these National Register eligible archaeological sites. (Name of property recipient) will follow any recommendation by the State Historic Preservation Officer to protect these sites. Any such vandalization or disturbance shall be promptly reported to the State Historic Preservation Officer and the (appropriate) tribe(s).

4. The State Historic Preservation Officer and the (appropriate) tribe(s) shall be permitted at all reasonable times to inspect (the property) to ascertain if the above conditions are being observed.

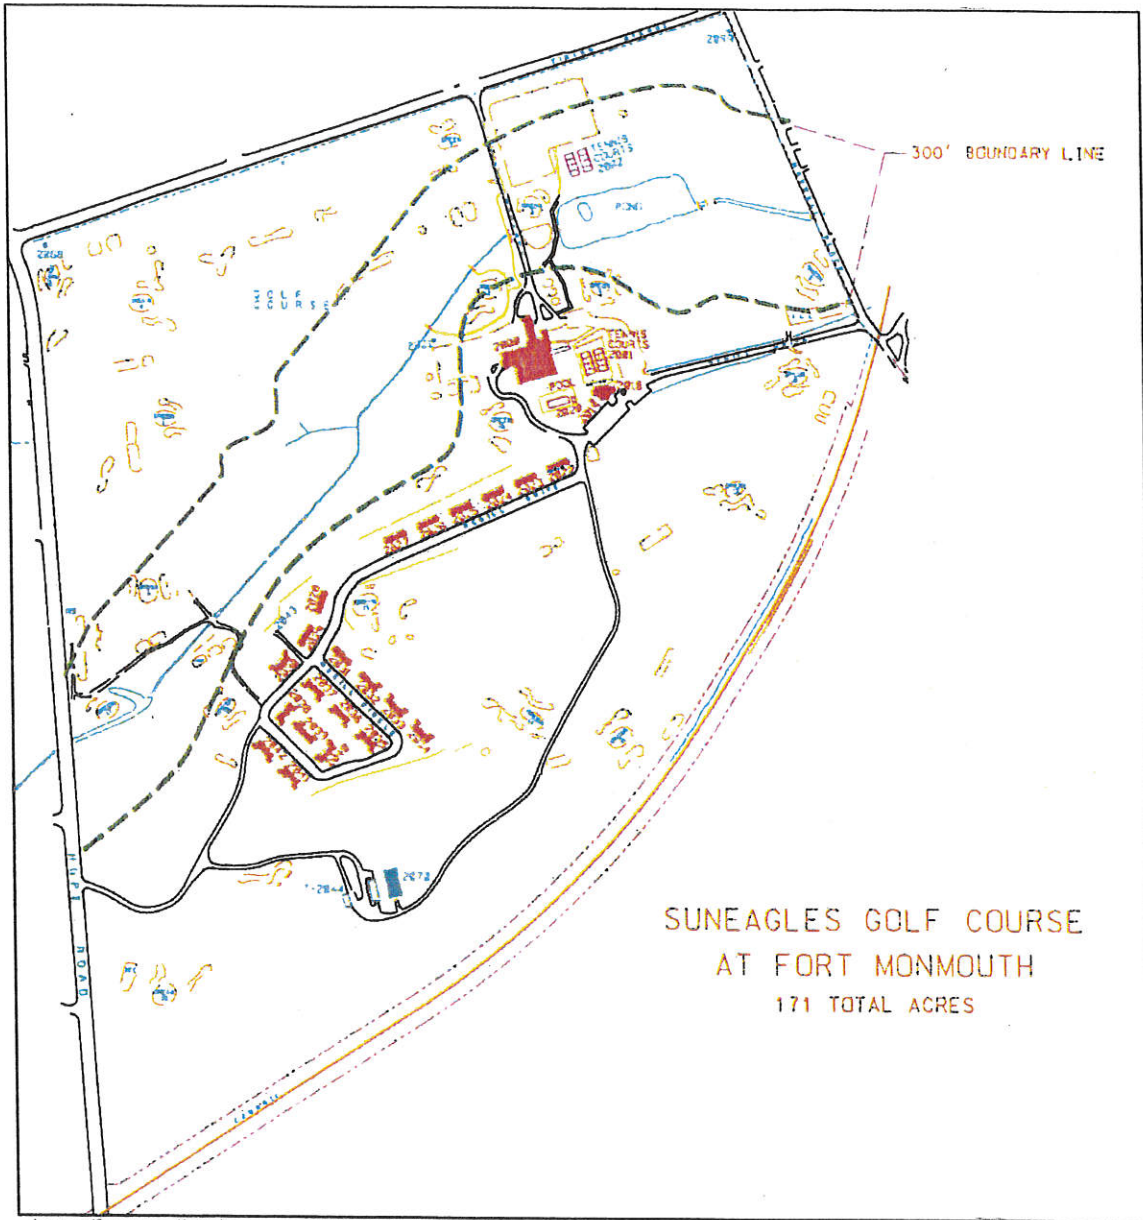

5. In the event of a violation of this covenant, and in addition to any remedy now or hereafter provided by law, the State Historic Preservation Officer may, following reasonable notice to (Name of property recipient), institute suit to enjoin said violation or to require the restoration of any archaeological site affected by such violation. If successful, the State Historic Preservation Officer shall be entitled to recover all costs or expenses incurred in connection with such suit, including all court costs and attorney's fees.

6. This covenant is binding on (Name of property recipient), its heirs, successors and assigns in perpetuity. Restrictions, stipulations, and covenants contained herein shall be inserted by (Name of property recipient) verbatim or by express reference in any deed or legal instrument by which it divests itself of either the fee simple title or any other lesser estate in (the part of the property containing the subject archeological sites) or any part thereof.

7. The failure of the State Historic Preservation Officer to exercise any right or remedy granted under this instrument shall not have the effect of waiving or limiting the exercise of any right or remedy or the use of such right or remedy at any other time. (Name of property recipient) agrees that the (name of NJSHPO parent organization) may, at its discretion and without prior notice to (Name of property recipient), convey and assign all or part of its rights and responsibilities contained in this covenant to a third party.

The covenant shall be a binding servitude upon the real property and shall be deemed to run with the land. Execution of this covenant shall constitute conclusive evidence that (name of property recipient) agrees to be bound by the foregoing conditions and restrictions and to perform to obligations herein set forth.

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
