REQUEST FOR OFFERS TO PURCHASE FOR THE SALE OF REAL PROPERTY

SUMMARY

The Fort Monmouth Economic Revitalization Authority (“FMERA” or the “Authority”), a state authority created pursuant to P.L. 2010, c.10 (N.J.S.A. 52:27I-18 et seq.), is responsible for the orderly and comprehensive redevelopment of Fort Monmouth. In furtherance of its mission, FMERA is hereby seeking offers from individuals or entities to acquire property that it is seeking to sell or ground lease. This request for offers to purchase (“RFOTP”) is being issued under FMERA’s rules for the sale of real and personal property (N.J.A.C. 19:31C-2, the “Sales Rules”). The successful Potential Purchaser as defined below shall be subject to the terms and provisions of the Sales Rules and the October 25, 2016 Phase 2 Economic Development Conveyance Agreement between FMERA and the U.S. Army (the “EDC Agreement”). Redevelopment of the property will be subject to the Fort Monmouth Reuse and Redevelopment Plan (the “Reuse Plan”), which operates as the master plan for Fort Monmouth, and FMERA’s land use regulations and design and development guidelines (N.J.A.C. 19:31C-3, the “Land Use Rules”), which serve as the zoning ordinance for the Fort. The Reuse Plan and the Land Use Rules supersede the master plan, the zoning and land use ordinance and regulations, and the zoning map of the Borough of Oceanport and Monmouth County development regulations, except for procedures for site plan and subdivision approval. The Reuse Plan and its amendments may be found at <https://www.fortmonmouthnj.com/developer-information/reuse-and-redevelopment-plan/>.

1.0 PURPOSE

The Authority is requesting offers to purchase (the “Offer”) from qualified individuals or entities (“Potential Purchaser(s)”) interested in purchasing an approximately 6 acre parcel of land containing six buildings: a circa 1998, 53,700 gsf former grocery known as the Commissary (a/k/a Building 1007); and the PX Complex, consisting of four circa 1970 buildings comprising the 45,626 gsf Post Exchange (Buildings 1000, 1001, 1002 & 1003) and the Army Community Service Center (Building 812), a circa 1941, 5,563 gsf administrative building (together, the “Property”). The Property borders on Rasor and Anson Avenues and Murphy Drive in the Oceanport Reuse Area of the Fort. Potential Purchasers have the option but not the obligation to include a price proposal to purchase an abutting 5± acre parking lot (the “Optional Property”) as part of their Offers. Potential Purchasers who submit compliant Offers for the Property along with the adjacent Warehouse District and Post Office Area and the Optional Property proposing the redevelopment of all of the parcels will receive special scoring consideration. See Attachment #3 for more information.

The minimum bid that FMERA will accept for the Property is One Million Eight Hundred Thousand (\$1,800,000.00) Dollars. Note that the Purchaser will also be responsible for funding certain off-site water and sewer infrastructure specified in Section 1.5 below.

In addition to a price proposal, the Offers must include a plan for the redevelopment of the Property for a one or more of the commercial uses identified below.

A map of the Property and the Optional Property can be found in Attachment #1 of this RFOTP.

The Property and the Optional Property will be sold “As Is – Where Is.”

While the Reuse Plan as well as Reuse Plan Amendment #2 contemplate the renovation and reuse of the Commissary as a retail and/or community center and the demolition of the PX Complex, **FMERA is now seeking proposals for the redevelopment (renovation or demolition) of the Commissary and the PX Complex for one or more of the following commercial uses: retail, wholesale food uses, office, recreational, entertainment, craft production, research & development, and/or technology-related uses. Residential uses will not be considered.** Accordingly, FMERA encourages Offers that propose uses for the Property that deviate from the Reuse Plan and Amendment #2. Please note that development of the Property for a use inconsistent with the Reuse Plan and/or Amendment #2 will require the adoption of either a further Reuse Plan amendment or a “use-type” variance prior to approval of the application for development.

All purchasers of real property on Fort Monmouth for redevelopment purposes are required to submit applications to FMERA for Mandatory Conceptual Review ("MCR") of their projects, and to the municipal planning board for site plan review, regardless of whether the project includes new construction or renovation.

It is FMERA's understanding that New Jersey state law and regulations permit alcoholic beverages to be sold in buildings situated on land owned or under the control of certain State entities provided that the Director of the New Jersey Division of Alcoholic Beverage Control ("ABC") issues a "Special Concessionaire Permit." (See N.J.S.A. 33:1-42; N.J.A.C. 13:2-5.2). It is FMERA's further understanding that Special Concessionaire Permits are issued by the ABC to eligible applicants on an annual basis for a fee of \$2,000 per year provided that the applicant has entered into a contract with the State entity that owns the land (i.e., FMERA) authorizing the applicant to serve alcoholic beverages to the public.

FMERA is agreeable to alcoholic beverages being served on the Property provided the selected Purchaser complies with all applicable requirements of the ABC and any other governmental entity having jurisdiction over the issuance of the required permits and/or licenses to serve alcoholic beverages. Note, however, that the sale and ground lease of the Property are not contingent on the selected Purchaser's ability to obtain a State Concessionaire Permit or liquor license, and FMERA will reject any Offer that seeks to condition the sale and ground lease on any such contingency. Potential Purchasers who plan to apply for a State Concessionaire Permit or obtain a liquor license to serve alcohol on the Property must so indicate in their Offers. FMERA is willing to sell the

improvements on the Property, and lease the ground to the selected Purchaser on a long-term basis so that the underlying land remains owned by FMERA and the building is potentially eligible for a Special Concessionaire Permit. The selected Purchaser could then apply to ABC to serve alcohol under a State Concessionaire Permit, subject to the approval of the ABC. At the expiration or earlier termination of the ground lease, FMERA would then convey the underlying land to the selected Purchaser. A specimen form of Ground Lease Agreement is attached as **Attachment #5**. Potential Purchasers who plan to apply for a State Concessionaire Permit will be responsible for obtaining the Permit, at the Potential Purchaser's sole cost and expense, in order to serve alcoholic beverages within the building(s). Notwithstanding anything in this paragraph or the previous paragraph, FMERA makes no representation regarding the possibility of the selected Purchaser obtaining a State Concessionaire Permit, and no Potential Purchaser is entitled to rely on any statements made herein regarding a State Concessionaire Permit. Nothing contained in this RFOTP shall be deemed legal advice and all Potential Purchasers are encouraged to consult with legal counsel. Potential Purchasers should note that if FMERA retains ownership of any portion of the Property and ground leases it to the selected Purchaser, the selected Purchaser will be obligated to pay workers employed to install, construct, renovate, refurbish or maintain any improvements on that portion of the Property not less than the prevailing wage rate for the particular trade, as required by N.J.S.A. 34:11-56.25 et seq. This requirement will continue for the duration of the ground lease.

A Potential Purchaser who opts to propose a ground lease for any portion of the Property must offer to pay the full value it ascribes to the Property at the closing of title. Potential Purchasers seeking to ground lease some or all of the Property should also propose an ongoing annual ground lease payment and a minimum ground lease term (in years) in their Offer. Final ground lease terms are subject to negotiation between the parties.

1.1 THE PROPERTY

Building 1007, the former Fort Monmouth Commissary

The Property consists of an approximately 6-acre site containing six buildings: a circa 1998, 53,700 gsf former grocery known as the Commissary (a/k/a Building 1007); and the PX Complex, consisting of four circa 1970 buildings comprising the 45,626 gsf Post Exchange (Buildings 1000, 1001, 1002 & 1003) and the Army Community Service Center (Building 812), a circa 1941, 5,563 gsf administrative building (cumulatively, the “Property”). The Property borders on Rasor Avenue and Murphy Drive in the Oceanport Reuse Area of the Fort.

FMERA currently holds title to the PX Complex. Title to the Commissary (Building 1007), the Optional Property, and environmental Carve-Outs associated with Parcels 55, 64 and 65 (described below and shown on Attachment #1) is currently held by the Army. FMERA is the contract purchaser of those portions of the Property through the EDC Agreement. FMERA will take title to the balance of the Property and the Optional Property upon receipt of the Army’s environmental clearance document, the Finding of Suitability to Transfer (“FOST”).

The Army is currently addressing the following areas of environmental concern located on the Property:

- **Parcel 55**, a PCB cleanup at Building 1002 associated with a transformer vault, where field work to remediate soil and concrete has been completed by the Army. The Army is received a No Further Action (“NFA”) determination from the New Jersey Department of Environmental Protection (“NJDEP”) in June 2017.

- **Parcel 57**, a former coal storage and railroad unloading area located on the Optional Property and a portion of the Commissary site (i.e. Building 1007), where polynuclear aromatic hydrocarbons (“PAHs”) and metals are present in soil and groundwater. The Army is currently preparing a Remedial Investigation & Feasibility Study and may perform remedial actions prior to issuing a FOST and transferring title to Parcel 57 to FMERA. The Property may require engineering controls (i.e. retention of the asphalt surface of the parking lot to serve as a cap) and/or a deed restriction for portions of Parcel 57.
- **Parcel 64**, a former gas station located on the site currently occupied by Building 812, where the Army received an NFA for groundwater in April 2017. The Army is currently preparing an NFA request for site soils.

In addition, **Parcel 65**, a former fuel oil above-ground storage tank (“AST”), was located at Building 886 immediately south of the Property. The Army received an NFA for groundwater in November 2016 and submitted an NFA request for site soils in March 2018. Subject to survey verification, a portion of Parcel 65 may overlap the Property.

FMERA anticipates receiving title to Parcels 55, 57, 64 and 65 within 12 to 18 months, allowing FMERA to convey title to the Purchaser upon the completion of Purchaser’s due diligence and approvals periods in its Purchase and Sale & Redevelopment Agreement with FMERA.

To enable redevelopment of the Property to move forward, FMERA will request that the Army grant a license allowing the Potential Purchaser to initiate due diligence investigations and pursue approvals upon selection, and to commence interior renovations upon execution of a Purchase and Sale and Redevelopment Agreement (“PSARA”) with FMERA.

Copies of the Army’s environmental reports with respect to Fort Monmouth’s Main Post are available at <http://www.pica.army.mil/FtMonmouth/>.

Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (“CERCLA”), the Army will retain responsibility for any environmental contamination (other than asbestos, lead-based paint, mold, petroleum products and their derivatives, PAHs and commercially-applied pesticides and termiticides) that may be present on the Property as of the date of closing with FMERA. Note, however, that parties incurring costs associated with the investigation and cleanup of discharges from petroleum products and their derivatives on historically owned Army properties may consider pursuing a Section 330 claim for financial relief. To do so, the party may need to show that the discharge in question is the result of past Army activities and not the result of activities undertaken by the new property owner.

Potential Purchasers are hereby notified that registered pesticides may have been applied to the Property and may continue to be present. The Army has advised FMERA that where a pesticide was applied it was applied in accordance with its intended purpose and consistently with the Federal Insecticide, Fungicide, and Rodenticide Act (“FIRA”), 7 U.S.C. § 136, et seq., and other applicable laws and regulations. If the selected Purchaser takes any action with regard to the Property, including demolition of structures or any disturbance or removal of soil that may expose,

or cause a release of, a threatened release of, or an exposure to, any such pesticide, it would assume all responsibility and liability therefore.

The selected Potential Purchaser will be afforded the opportunity to perform due diligence investigations prior to closing at its sole cost and expense.

The Army has conveyed and will continue to convey title to portions of the Property and the Optional Property via quitclaim deed; accordingly, FMERA will also transfer title to the selected Potential Purchaser by quitclaim deed. The closing between the Army and FMERA is currently anticipated to occur following the Army's receipt of No Further Action letters and its issuance of a FOST in approximately 12 to 18 months. The closing between FMERA and the selected Potential Purchaser can be scheduled to occur simultaneously or at any time thereafter. FMERA is looking to accelerate closing and redevelopment of the Property to the extent possible.

1.2 THE OPTIONAL PROPERTY: THE 1000 AREA PARKING

Located north of the Commissary and PX, the 1000 Area Parking is a 5± acre paved lot that provided off-street parking for the buildings that adjoin it. Assuming 134 spaces per acre, the Optional Property could accommodate approximately 670 parking spaces. Due to an anticipated environmental restriction that will likely be placed on the Optional Property calling for the parking lot's asphalt surface to remain and serve as a cap (i.e. engineering control), FMERA believes the Optional Property's highest and best use is for continued use as surface parking. Accordingly, this parcel is offered for off-street parking as an optional sub-parcel available to parties submitting proposals in response to this RFOTP and the RFOTP for the adjacent Warehouse District, which FMERA is issuing on or about the date of this RFOTP. Notwithstanding the above, Potential Purchasers may propose an alternate commercial use of the Optional Property. Any alternate use of the Optional Property that requires active remediation shall be at the Purchaser's sole cost and expense.

The minimum bid that FMERA will accept for the Optional Property is Five Hundred Thousand (\$500,000.00) Dollars.

FMERA will evaluate bids to acquire the Optional Property that are submitted as part of Offers submitted in response to this RFOTP to purchase the Commissary and PX Complex **and** Offers submitted in response to the RFOTP for the abutting Warehouse District. FMERA will evaluate the bids for the Optional Property using the criteria and weighting listed in the evaluation criteria shown in Attachment #4, taking into account the purchase price, impact to host municipality, and impact on maximizing redevelopment potential of the Fort's Oceanport Reuse Area with an emphasis on abutting parcels. The Potential Purchaser for the Optional Property will be selected based on the highest criterion score determined using the evaluation criteria shown in Attachment #4. **Please be on notice that the selected Purchaser for the Property under this RFOTP may not be selected for the Optional Property, as the Optional Property may be awarded to the potential purchaser selected under the Warehouse District RFOTP if that potential purchaser has a higher criterion score for the Optional Property.** Therefore, Potential

Purchasers who submit Offers for the Commissary and PX Complex that are contingent on acquisition of the Optional Property are encouraged to also submit Offers for the Commissary and PX Complex that are not contingent on acquisition of the Optional Property.

Potential Purchasers who are interested in acquiring the Optional Property must so indicate in their Offers and state the price they are proposing to pay for the Optional Property.

Potential Purchasers whose Offers for the Commissary and PX Complex are contingent on acquisition of the Optional Property must so state in their Offers.

Potential Purchasers who submit compliant Offers for the Commissary and the PX Complex, the Optional Property and the adjacent Warehouse District and Post Office Area that propose the redevelopment of all of the parcels will receive special scoring consideration. See Attachment #3 for more information.

1.3 PERSONAL PROPERTY

Consistent with federal Base Realignment and Closure (“BRAC”) law, FMERA intends to convey as part of the sale of the Property any and all furniture, fixtures and equipment remaining within the six buildings as of the date of closing. Any such furniture, fixtures and equipment will be conveyed in as-is where-is condition. FMERA reserves the right to retain certain utility equipment (including but not limited to transformers, electric distribution equipment, utility poles, generators, and pumping stations) that may be present on the Property and that FMERA deems necessary to provide interim or permanent utility service to the Fort. Utility easements will be established upon formal survey of the Property.

1.4 FORT MONMOUTH’S REDEVELOPMENT STATUS

Fort Monmouth consists of 1,127 acres located in the Boroughs of Tinton Falls, Eatontown and Oceanport, New Jersey. Established in 1917 as Camp Little Silver, the Fort served as the home of the Signal Corps, and later CECOM, the Communications and Electronics Command. The Fort was designated for closure in the 2005 BRAC round, and formally closed in September 2011. FMERA entered into the first of two EDC Agreements with the Army in June 2012, and took title to an initial property, a 55-acre tract in Tinton Falls known as Parcel E, in January 2013. FMERA subsequently sold Parcel E to Commvault, one of the nation’s leading data and information management software companies, for construction of the company’s new headquarters complex. Commvault occupied the first building in the complex, a 275,000-sf facility for 900 employees, in late 2014. The company has approvals in hand to develop up to 650,000 sf for an estimated 2,500 employees.

Commvault's new Headquarters

FMERA acquired the former Patterson Hospital from the Army and sold it to AcuteCare Health System in March 2014. AcuteCare renovated the 100,000-sf building for use as an outpatient health clinic. The facility opened in the 1st Quarter of 2015.

AcuteCare's renovated facility in Oceanport

FMERA acquired the former Building 2525 in Tinton Falls from the Army and sold it to RADAR Properties in February 2016. RADAR is leasing approximately 30,000 square feet of the building

to AASKI Technology, Inc., a defense contractor and communications engineering firm, one of the fastest growing private companies in the state.

FMERA acquired Building 2290 in Tinton Falls from the Army and sold it to Trinity Hall Corporation in March 2016. Trinity Hall renovated the 19,600-sf former child development center building for use as a private high school for girls. The facility opened in September 2016 for the 2016-2017 school year. Trinity has obtained approvals to double the size of the school, with construction to begin this year.

In November 2016, FMERA acquired title to Fort Monmouth's Main Post from the Army, and shortly after, FMERA sold 117 historic housing units to RPM Development. Known as East Gate and Liberty Walk, the for-sale and rental housing units will be available for occupancy this spring.

To date, FMERA has sold 14 parcels and is currently under contract or in negotiations with developers for the sale or lease of 16 other parcels. Another 10 parcels, ranging from individual buildings to large land tracts, will be released for proposals this year.

At full buildout in approximately twelve years, the Fort is projected to include:

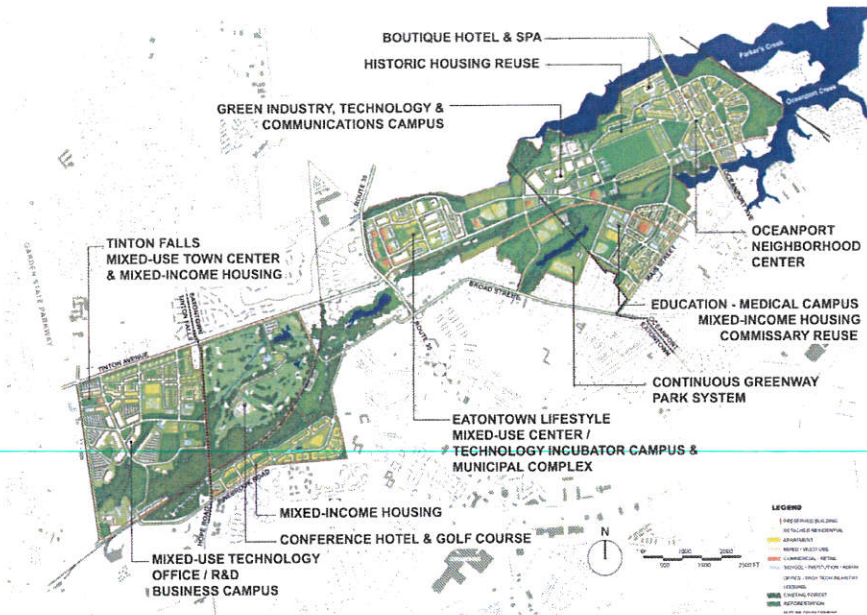

- 1,585 housing units, with over 4,000 new residents
- 300,000 sf of non-profit, civic, government and educational uses
- 500,000 sf of retail space
- 2,000,000 sf of office, research & development and other commercial uses

Total development costs are estimated at \$1.5 billion, generating 10,000 permanent jobs.

Fort amenities are anticipated to include:

- preservation of approximately 40% of the Fort's land area as recreational and passive open space
- creation of a system of bicycle lanes, pedestrian paths and/or multi-purpose trails
- dedication of an interconnected blue/green belt spanning the Fort
- a shuttle system linking the Fort with mass transit, including the Little Silver train station
- improved access to the Garden State Parkway via a new interchange (Exit 105A)

In addition to the above amenities, the Fort plans to also be home to a renovated fitness center, bowling alley, performing arts center/theater, golf course, and marina.

Fort Monmouth's 20-Year Concept Plan

1.5 UTILITIES

The building is directly served by New Jersey Natural Gas. Electric power, non-potable water and sanitary sewer service are currently provided by FMERA over formerly Army owned systems. For a transitional period FMERA will continue to service the buildings over said systems. The selected Potential Purchaser must, at no cost to FMERA, meter all utilities serving the Property. The selected Potential Purchaser will be responsible to make any needed improvements or upgrades to utility infrastructure within the footprint of the Property. FMERA anticipates that the selected Potential Purchaser, at its sole cost and expense, will be required to relocate laterals and to reconnect utilities as new trunk infrastructure is installed. The selected Potential Purchaser, at its sole cost and expense, may also be required to connect new laterals into new water and sanitary sewer mains, as well as establish metered electric service with an alternative electric power provider at some time in the future.

The successful Potential Purchaser will also be required to fund or install, at its sole cost and expense, five hundred (500') linear feet of new water main and five hundred (500') linear feet of sewer main along Razor and Anson Avenues or in such other location as directed by FMERA. Potential Purchasers should take this cost into account when preparing their price proposals for the Property.

1.6 ACCESS

FMERA will grant any reasonably necessary easements for access from the Property to currently existing public roads, and will transfer to the Purchaser its rights in and to Rasor Avenue, a former railroad right of way owned by Jersey Central Power & Light Company.

1.7 INFRASTRUCTURE DISTRICT; SALES TAXES

The state statute creating FMERA, P.L. 2010, c.10 (N.J.S.A. 52: 27I-18 et seq.), allows FMERA to create infrastructure districts to support the redevelopment of the Fort. Retail sales within the districts will be exempt to the extent of 50% of the retail sales taxes (except taxes generated from the retail sale of motor vehicles, alcoholic beverages, cigarettes or energy) normally collected by the State of New Jersey, and FMERA may collect a franchise assessment not to exceed the remaining 50% of retail sales taxes normally collected, to be used by FMERA toward on-site or off-site infrastructure improvements, or parking or transportation facilities, or work that reduces, abates, or prevents environmental pollution, or other improvements that provide a public benefit within or to an infrastructure district. FMERA may, at its Board's discretion, opt to collect less than 50% of normal sales taxes through the franchise assessment, effectively allowing retailers to charge less than the full sales tax rate imposed under the New Jersey Sales and Use Tax Act.

The Purchase and Sale & Redevelopment Agreement between FMERA and the selected Purchaser will require that, in the event FMERA creates an infrastructure district that includes the Property within its boundaries, the Purchaser and any tenants operating a retail business on the Property will apply to be a certified retail vendor.

2.0 PREVAILING WAGE REQUIREMENT

Prevailing wage will apply only to the extent that a project includes "public work" as that term is defined in State Prevailing Wage Act, N.J.S.A. 34: 11-56.25 et seq. or if the applicant receives financial assistance from FMERA, the State or any other State entity. Note that prevailing wage also applies to any off-site infrastructure work performed on FMERA-owned property. Further, if the Purchaser opts to ground lease any portion of the Property as discussed in Section 1.0 above, that portion of the Property shall also be subject to prevailing wage obligations.

Potential Purchasers should note that if FMERA retains ownership of any portion of the Property and ground leases it to the selected Purchaser, the selected Purchaser will be obligated to pay workers employed to install, construct, renovate, refurbish or maintain any improvements on that portion of the Property not less than the prevailing wage rate for the particular trade, as required by N.J.S.A. 34:11-56.25 et seq. This requirement will continue for the duration of the ground lease. Additionally, any infrastructure improvements installed by the Purchaser on FMERA-owned property or within public rights of way shall also be subject to prevailing wage obligations.

2.1 ADDITIONAL TERMS OF SALE

Pursuant to FMERA's Land Use Rules, all purchaser of real estate on Fort Monmouth must enter into a redevelopment agreement, which FMERA addresses through a combined purchase and sale/redevelopment agreement ("PSARA"). The PSARA will contain the following provisions, which will be covenants running with the land until the redeveloper completes the project:

- i. A provision limiting the use of the property to the uses permitted by the Reuse Plan or an amendment to the Reuse Plan as approved by the FMERA Board and uses permitted by the Land Use Rules;
- ii. A provision requiring the redeveloper to commence and complete the project within a period of time that FMERA deems reasonable; and
- iii. A provision restricting the transfer of the property or the redeveloper's rights under the PSARA prior to completion of the project.

The PSARA will require the redeveloper to guaranty its project commencement and completion and job creation obligations by posting bonds or providing other assurances or penalties. See section 6(h) below for additional information regarding job creation requirements.

3.0 PUBLIC INSPECTION OF DOCUMENTS

Due diligence material and documents held by FMERA pertaining to the Property and/or building(s) will be made available for the review and inspection by Potential Purchaser(s) during normal business hours at the FMERA office located at Fort Monmouth, New Jersey. Interested Potential Purchasers may make copies of the paper documents. Please note: FMERA does not warrant the accuracy or completeness of any documents originated by the Army or other sources. Copies of any documents requested that are larger than legal size shall be made at the expense of the Potential Purchaser. A copy of digital files will also be available upon request without charge. Limited materials and documents will be available for review and inspection during the tour referred to in Section 4.0 below.

Materials made available by FMERA for public inspection are offered "as is" and "where is" and they may include pertinent information regarding building plans, the environmental conditions, utility access, and other information related to these facilities. However, FMERA shall not be held responsible or liable for the accuracy or inaccuracy of such information or materials reviewed or obtained. All Potential Purchaser(s) shall be wholly responsible for their own due diligence efforts. Any information obtained by the Potential Purchaser(s) shall become the property of the Authority immediately upon the Potential Purchaser's submission of its offer and the release of such information by the Potential Purchaser to a third party shall only be made with the written approval of the Authority.

4.0 TOURS

Walk-through tours will commence on May 10, 2018 at 10:00 A.M. The last day to request a walk-through tour of the Property is June 29, 2018. Please schedule a walk-through tour by contacting Regina McGrade at rmcgrade@njeda.com or 732-720-6350.

FMERA reserves the right, upon good cause shown to the satisfaction of FMERA's staff, to allow a Potential Purchaser to withdraw its Offer after Offers have been opened.

Documents and information submitted in response to this RFOTP shall become property of the Authority and generally shall be available to the general public as required by applicable law, including the New Jersey Open Public Meetings Act, N.J.S.A. 10:4-1 et seq., the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 et seq. and New Jersey right-to-know laws.

Communications regarding this RFOTP in any manner (except as set forth in Section 4 above and Sections 6 and 7 below or negotiations initiated by the Authority) **will result in the immediate rejection** of the Potential Purchaser's Offer.

6.0 OFFER REQUIREMENTS

The Potential Purchaser must indicate the name and contact information for the individual who will be its senior contract person for its Offer. (d) The selected Purchaser's failure to submit the required forms will prevent FMERA from entering into a Purchase and Sale Agreement with that party. The State Treasurer or his designee shall review the Disclosures submitted by the Purchaser pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the selected Purchaser, prior to award, or during the term of the retention agreement. If the State Treasurer determines that any contribution or action by the selected Purchaser violated Chapter 51 or EO 117 the State Treasurer shall disqualify the selected Purchaser from award of such contract. If the State Treasurer or his designees determines that any contribution or action constitutes a breach of contract that poses a conflict of interest, pursuant to Chapter 51 and EO 117, the State Treasurer shall disqualify the selected Purchaser from award of such contract.

Please refer to ATTACHMENT #2 for copies of the Information and Instruction and Two-Year Chapter 51/Executive Order 117 Vendor Certification and Disclosure of Political Contributions. FMERA will evaluate each Offer received in accordance with this RFOTP and shall identify the Offer(s) determined to be responsive to all material elements set forth in the notice, including, but not limited to: purchase price; estimated permanent jobs to be created at or relocated to the parcel; purchase term including due diligence period and time needed to obtain approvals as well as payment for such period; proposed project capital investment; Potential Purchaser's financial capability to meet the proposed terms of purchase and project completion; impact to host municipality; and prior experience with the Potential Purchaser. Attachment #3 contains the proposed evaluation score sheet and weightings. If the Potential Purchaser is proposing a ground lease for the Property, the evaluation will consider the annual ground lease payment proposed and the duration of the ground lease term.

FMERA will evaluate bids to acquire the Optional Property that are submitted as part of Offers submitted in response to this RFOTP to purchase the Commissary and PX Complex **and** Offers submitted in response to the RFOTP for the abutting Warehouse District. FMERA will evaluate the bids for the Optional Property using the criteria and weighting listed in the evaluation criteria shown in Attachment #4, taking into account the purchase price, impact to host municipality, and impact on maximizing the redevelopment potential of the Fort's Oceanport Reuse Area. The Potential Purchaser for the Optional Property will be selected based on the highest criterion score determined using the evaluation criteria shown in Attachment #4. **Please be on notice that the selected Purchaser for the Property under this RFOTP may not be selected for the Optional Property, as the Optional Property may be awarded to the potential purchaser selected under the Warehouse District RFOTP if that potential purchaser has a higher criterion score for the Optional Property.** Therefore, Potential Purchasers that submit Offers for the Commissary and PX Complex that are contingent on acquisition of the Optional Property are encouraged to also submit Offers for the Commissary and PX Complex that are not contingent on acquisition of the Optional Property.

Potential Purchasers who submit compliant Offers for the Commissary and the PX Complex, the Optional Property and the adjacent Warehouse District and Post Office Area that propose the redevelopment of all of the parcels will receive special scoring consideration. See Attachment #3 for more information.

Potential Purchasers should be prepared to commit to their job creation estimate in the PSARA. FMERA is looking to accelerate closing and redevelopment to the extent possible. FMERA shall be under no obligation whatsoever, legal or otherwise, to sell or convey the Property or the Optional Property or any interest in the Property or the Optional Property unless and until an Agreement for Purchase and Sale is fully negotiated with a Potential Purchaser and approved for execution by the FMERA Board of Members in its sole and absolute discretion. No Potential Purchaser or other party shall have any legal right or interest in the Property or Optional Property unless and until an Agreement for Purchase and Sale is properly executed and delivered by FMERA.

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

21. Net Ground Lease: The parties acknowledge and agree that this Agreement is a net ground lease and that all costs of tenancy, including, but not limited to, environmental remediation, site preparation, construction, utilities, maintenance, repairs, operation, and security, shall be paid by Lessee and not by Lessor. Such costs shall be in addition to all other payments required by this Agreement.

22. Right to Mortgage Leasehold Interest: Upon the prior written approval of Lessor, which shall not be unreasonably withheld or delayed, Lessee shall have the right to mortgage Lessee's leasehold interest in the Premises and Improvements through one or more leasehold mortgages. Lessor agrees to cooperate with Lessee in connection with Lessee's efforts to obtain such financing, and Lessor agrees to make such reasonable changes to this Agreement as may be requested by any holder of a leasehold mortgage (each a "Leasehold Mortgagee"), at Lessee's sole cost and expense, provided that such requested changes do not materially decrease Lessee's obligations or increase Lessor's obligations hereunder, or otherwise have an adverse effect on Lessor.

A. Provision of Mortgage Agreement to Lessor: Lessee must deliver an executed copy of each leasehold mortgage to Lessor within ten (10) days of execution thereof.

B. Additional Rights Available to Leasehold Mortgagee: Upon the submission of a written request to receive notices under this Agreement, the Leasehold Mortgagee shall have the following additional rights:

a. Notices: Lessor shall send all notices under this Agreement to Lessee and the Leasehold Mortgagee at the same time. All notices to the Leasehold Mortgagee will be deemed given when mailed by certified mail, return receipt requested. No notice given by Lessor to Lessee shall be binding upon the Leasehold Mortgagee unless a copy of the notice was also given to the Leasehold Mortgagee pursuant to this Paragraph 22. The Leasehold Mortgagee may change the address to which notices are sent through the procedure set forth in Paragraph 38.

b. Assignment of Leasehold Mortgage: If the Leasehold Mortgagee assigns the leasehold mortgage, it must provide written notice to Lessor within thirty (30) days of the date of assignment. Said notice must include the name and address of the assignee. Lessor shall not be bound to recognize any assignment of the leasehold mortgage until it receives such written notice, and thereafter, the assignee shall be deemed to be the Leasehold Mortgagee.

c. Consent to Cancellation, Surrender, or Modification: No action or agreement hereafter taken or entered into by Lessee or Lessor to cancel, surrender or modify this Agreement, except in accordance with the express terms hereof, shall be binding upon the Leasehold Mortgagee or affect the lien of such leasehold mortgage, without the prior, written, commercially reasonable consent of such Leasehold Mortgagee.

d. Right to Substitute Performance: Subject to the terms of Paragraph 22(B)(f) below, the Leasehold Mortgagee shall have the right to perform any term, covenant or condition of this Agreement on behalf of Lessee and shall have the right to remedy any default by Lessee hereunder. Lessor shall accept performance by the Leasehold Mortgagee with the same force and effect as if furnished by Lessee; provided, however, that the Leasehold Mortgagee shall not be subrogated to the rights of Lessor. On behalf of Lessee, the Leasehold Mortgagee shall have the right to enforce all claims and rights to the payment of money arising in connection with any rejection or breach of this Lease by Lessor, including, without limitation, all rights to recover damages arising out of such breach or rejection.

e. Delegation of Rights: Lessee may delegate to the Leasehold Mortgagee the authority to exercise any or all of Lessee's rights hereunder. No such delegation shall be binding upon Lessor unless and until Lessor is provided with a copy of the executed written instrument effecting such delegation; provided, however, that performance by the Leasehold Mortgagee shall be deemed to be performance by Lessee hereunder, even absent such written delegation. Lessor shall be entitled to rely on any notice of delegation that Lessor receives from the Leasehold Mortgagee and shall have no liability to Lessee on account of such reliance.

f. Grace Period for Curing Default without Taking Possession of Premises: If Lessee defaults in the performance of its obligations under this Agreement and said default can be cured by the Leasehold Mortgagee without taking possession of the Premises, Lessor agrees not to terminate Lessee's leasehold estate until:

(i) In the case of a monetary default, twenty (20) business days after Lessor has the right to terminate this Agreement; and

(ii) In the case of a non-monetary default, forty-five (45) business days after Lessor has the right to terminate this Agreement.

g. Grace Period for Taking Possession of Premises: If Lessee defaults in the performance of its obligations under this Agreement and said default cannot be cured by the Leasehold Mortgagee without taking possession of the Premises or if such default is of such a nature that it is not susceptible of being cured by the Leasehold Mortgagee, then Lessor shall not terminate Lessee's leasehold estate so long as:

(i) In the case of a default which cannot be cured without taking possession of the Premises, the Leasehold Mortgagee diligently proceeds to take possession of the Premises and, upon obtaining such possession, diligently proceeds to cure the default;

(ii) In the case of a default which is not susceptible of being cured by the Leasehold Mortgagee, the Leasehold Mortgagee institutes foreclosure proceedings with respect to the leasehold estate and Improvements and diligently prosecutes the foreclosure to completion (unless the Leasehold Mortgagee acquires Lessee's leasehold estate, either in its own name or through a nominee, by assignment in lieu of foreclosure); and

(iii) The Leasehold Mortgagee shall not be required to continue to proceed to obtain possession, or to continue in possession of the Premises, or to continue to prosecute foreclosure proceedings, if the default is cured. Nothing herein shall preclude Lessor from exercising any of its rights or remedies with respect to any other default by Lessee during any period of such forbearance, but in such event the Leasehold Mortgagee shall have all of the rights and protections hereinabove provided for.

h. Bankruptcy: If the Leasehold Mortgagee, or its nominee, or a purchaser at a foreclosure sale, acquires title to Lessee's leasehold estate hereunder and cures all existing defaults of Lessee within a period of ninety (90) days after taking such title, and if the Leasehold Mortgagee, or purchaser, shall not itself be subject to any bankruptcy or other proceedings which would entitle Lessor to terminate this Lease, then Lessor shall not have the right to terminate this Lease by reason of the existence of bankruptcy or other proceedings relating to any prior holder of Lessee's leasehold estate hereunder.

i. New Lease: In the event that Lessor terminates this Agreement, the Leasehold Mortgagee or, if there are multiple Leasehold Mortgagees, the Leasehold Mortgagee holding the highest priority lien, shall have thirty (30) days to request, in writing, that Lessor enter into a new lease agreement ("New Lease") for the Premises subject to the terms set forth below. If the Leasehold Mortgagee exercises its right to enter into a New Lease, Lessor shall have no obligation to do anything, other than to execute the New Lease as herein provided, to assure the Leasehold Mortgagee good title to the leasehold estate.

j. Terms of the New Lease: The New Lease shall be solely comprised of the terms, covenants, and conditions of this Agreement, except as they may be superseded by the following sub-paragraphs:

(i) The New Lease shall require the Leasehold Mortgagee to reimburse Lessor for any and all monies reasonably expended by Lessor to preserve or protect the Premises or the Improvements (including, without limitation, the payment of PILOT Payments, taxes, assessments and special assessments), to the extent not paid by Lessee;

(ii) The New Lease shall be deemed to commence, and the rent and all other obligations of the Leasehold Mortgagee under the New Lease shall accrue, as of the date of the termination of this Agreement;

(iii) The term of the New Lease shall continue for the period which would have constituted the remainder of the Term of this Agreement had this Agreement not been terminated; and

(iv) The New Lease and this covenant shall be superior to all rights, liens and interests intervening between the date of this Lease and the granting of the New Lease, and shall be free of any and all rights of Lessee hereunder; provided, Lessor shall have no liability or responsibility for any intervening rights, liens, encumbrances or claims created by or relating to Lessee.

k. Required Payments for Execution of the New Lease by Lessor: The Leasehold Mortgagee shall, simultaneously with the delivery of the New Lease, pay to Lessor the following:

(i) Any and all monies reasonably expended by Lessor to preserve or protect the Premises or the Improvements (including, without limitation, the payment of PILOT Payments, taxes, assessments and special assessments), to the extent not paid by Lessee; and

(ii) All rent and other sums of money due under the New Lease for the period from the date of commencement of the term to the date of delivery of the New Lease; and

(iii) All costs and expenses, including reasonable attorneys' fees, court costs and litigation expenses, incurred by Lessor in connection with the termination of this Agreement, recovery of possession of the Premises, putting the Premises in good condition and repair, and the preparation, negotiation, execution and delivery of the New Lease.

l. Multiple Leasehold Mortgagees: If, in any instance, more than one Leasehold Mortgagee exercises its right to obtain a New Lease pursuant to this Paragraph 15, then only the Leasehold Mortgagee holding the lien of highest priority shall be entitled to the New Lease free and clear of the rights of all other lienors.

m. Failure to Execute New Lease: If the Leasehold Mortgagee or a Leasehold Mortgagee holding the lien of highest priority exercises its right to obtain a New Lease pursuant to

this Paragraph 15, but fails to execute the New Lease when tendered by Lessor, said Leasehold Mortgagee shall have no further rights to a New Lease.

n. No Merger: As long as any leasehold mortgage is in existence, unless all Leasehold Mortgagees shall otherwise expressly consent in writing, fee title to the Premises and the leasehold estate of Lessee therein shall not merge, but shall remain separate and distinct, notwithstanding the acquisition of the fee title or leasehold estate by Lessor, Lessee or a third party.

23. Default by Lessee: The following shall constitute events of default under this Agreement (each an "Event of Default"):

A. Failure to pay rent, utilities, taxes or PILOT Payments, subject to Paragraph 17 hereof, on or before the date that such payment is due, with said failure continuing for a period of forty-five (45) consecutive days after such due date;

B. Failure to renovate and operate the Facility for the purposes and in the manner required by this Agreement, with such failure continuing for a period of forty five (45) days after Lessee receives written notice from Lessor; provided, that the continuation of the failure for forty five (45) days or longer after receipt of the notice shall not constitute an Event of Default if such failure cannot reasonably be cured within that period and Lessee commences such cure within the forty five (45) day period and diligently and continuously prosecutes the cure of such failure to completion; or

C. Failure to timely perform any other material obligation under this Agreement, with such failure continuing for a period of sixty (60) days after Lessee receives written notice from Lessor; provided, that the continuation of the failure for sixty (60) days or longer after receipt of the notice shall not constitute an Event of Default if such failure cannot reasonably be cured within that sixty (60) day period, and Lessee commences such cure within the sixty (60) day period and diligently and continuously prosecutes the cure of such failure to completion.

24. Remedies for Lessee's Default: Upon the happening of an Event of Default by Lessee, as defined in Paragraph 23, and subject to the requirements of Paragraph 22, Lessor shall have the right to terminate this Agreement upon written notice to Lessee and to pursue all other remedies available at law or in equity. In the event that Lessor terminates this Agreement, all rights and interest of Lessee in the Premises and the Improvements shall cease and expire in the same manner and with the same force and effect as if the date specified in such notice of default was the date originally specified herein for the expiration of this Agreement. In the event of such termination, Lessee shall pay to Lessor an amount equal to all rent, utilities, taxes and PILOT Payments which are due and payable as of and through the date of such termination.

25. Default by Lessor: If Lessor defaults in the performance of any of its obligations under this Agreement and such default continues for a period of more than thirty (30) days after receipt of written notice from Lessee specifying such default, or if such default is of a nature as to require more than thirty (30) days for remedy and Lessor fails to commence procedures to cure the default within the thirty (30) day period and diligently and continuously prosecutes the cure of such failure to completion, then Lessee may, in addition to any other remedy available at law or in equity, upon fifteen (15) days' prior written notice, pay and incur any costs and expenses that are necessary to perform the obligation of Lessor specified in

such notice and then charge Lessor for same. If Lessor fails to reimburse the aforesaid costs and expenses within thirty (30) days after receipt of the invoice, then Lessee may offset the amount against the next payment of rent. Upon any event of default by Lessor which constitutes an emergency, Lessee may prosecute the cure thereof without prior notice, and Lessor shall likewise reimburse Lessee for the costs and expenses paid and incurred by Lessee in connection therewith; if Lessor fails to reimburse the aforesaid costs and expenses within thirty (30) days after receipt of the invoice, then Lessee may offset the amount against the next payment of rent.

26. Construction Liens: Lessee shall use commercially reasonable efforts not to permit any construction lien or notice of unpaid balance to be filed against the interest of Lessor or Lessee in the Premises, the Facility or the Improvements, by reason of any work, labor, services, or materials supplied to or for the benefit of Lessee, the Premises, or any part thereof, and Lessee agrees to defend, indemnify and save harmless Lessor from and against any such lien. If any such construction lien or notice of unpaid balance shall be filed at any time, Lessee shall cause the same to be discharged within thirty (30) days; provided, however, if Lessee shall promptly bond the entire amount of such lien with a responsible surety company, Lessee may contest the amount or validity, in whole or in part, of any such lien by appropriate proceedings, diligently prosecuted, and such contest shall defer, for its duration, Lessee's duty hereunder to discharge the same. Upon request by Lessee, Lessor shall, at no cost to Lessor, execute and deliver any and all documents and take any and all actions as shall be reasonably necessary or proper to permit Lessee to bring such proceedings in Lessee's name or on Lessor's behalf to facilitate the conduct of such proceedings by Lessee. Lessee covenants to defend and save harmless Lessor from and against any and all liability for the payment of any cost or expense in connection with any such proceedings.

27. Legal Compliance: Lessee shall comply with all laws, statutes, rules, regulations, ordinances, and codes that govern its use and the operation of the Premises.

28. Not A Joint Venture: Nothing herein contained shall be construed as creating or constituting Lessor and Lessee as co-partners or joint venturers, nor shall anything herein contained be construed in any manner so as to make Lessor or Lessee liable for any debts, defaults, obligations or losses of the other.

29. Indemnification: Lessee agrees to defend, indemnify, protect, save and hold harmless Lessor, its officers, commissioners, directors, members, agents, servants, attorneys, and employees from and against any and all suits, claims, demands and damages, of whatsoever kind or nature, arising from, out of, or in connection with the performance of this Agreement, including, but not limited to, expenditures for and costs of investigations, hiring of expert witnesses, court costs, counsel fees, settlements, judgments or otherwise. Lessee will further defend, indemnify and save Lessor harmless from and against any and all claims against Lessor arising during the Term of this Agreement from any breach or default by Lessee in the performance of any covenant or obligation under this Agreement. The provisions of this Paragraph 29 shall survive the expiration or earlier termination of this Lease.

30. Environmental Matters:

A. Compliance with Environmental Laws: From and after the commencement of this Lease, Lessee shall comply with all applicable Environmental Laws with respect to Lessee's possession, use and occupancy of the Premises. "Environmental Laws" shall mean the Comprehensive Environmental

Response Compensation and Liability Act, 42 U.S.C. Section 9601 et seq., as amended by the Superfund Amendments and Reauthorization Act of 1986 (Pub. L. 98-489, 100 Stat. 1613, 1986); the Resource Conservation and Recovery Act, 42 U.S.C. Section 6801 et seq.; the Toxic Substances Control Act, 15 U.S.C. Section 2601; the Clean Water Act, 33 U.S.C. Section 407 et seq.; the Clean Air Act, 42 U.S.C. Section 7901 et seq.; the New Jersey Spill Compensation and Control Act, N.J.S.A. 58:10-23.11, et seq.; the New Jersey Industrial Site Recovery Act, N.J.S.A. 13:1K-6 et seq. ("ISRA"); and any and all other present or future federal, state or local laws, statutes, ordinances, regulations, executive orders or orders of local code officials in any way related to the protection of human health, safety or the environment, and applicable to the Premises or any activities conducted thereon by Lessee.

B. Indemnification: Lessee shall indemnify, defend, save, and hold harmless Lessor of, from and against any and all liability, damage, costs and expenses, including, but not limited to, attorneys' fees and expenses and court costs, incurred by Lessor and arising during the Term of this Lease relating to the environmental condition of the Premises.

C. Environmental Protection Provisions: The Lessee shall neither transfer the Premises, sublease the Premises, nor grant any interest in connection with the Premises without including the Environmental Protection Provisions set forth in Exhibit "B," attached hereto and made a part hereof, and shall require that said provisions be included in all subsequent deeds, easements, transfers or subleases in, of, on, or to the Premises or any portion thereof.

D. Survival: The provisions of this Paragraph 30 shall survive expiration or earlier termination of this Lease.

31. Insurance: To the extent offered by insurance companies authorized to do business in the State of New Jersey, Lessee shall provide evidence of insurance of the prescribed types and minimum amounts set forth below. Unless otherwise specifically noted below, all required insurance policies shall be maintained in full force and effect until the expiration or termination of this Agreement. Each policy shall contain the provision that there will be ten (10) days' prior written notice given to Lessor in the event of any cancellation of, or material change in, the policy. The words "endeavor to" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the insurance company, its agents or representatives" shall be deleted from the certificate form's cancellation provisions. The failure of FMERA to demand such certificate or other evidence of full compliance with the insurance requirements set forth in this Lease or the failure of FMERA to identify a deficiency in the evidence of insurance that is provided hereunder shall not be construed as a waiver of Lessee's obligation to maintain such insurance. If Lessee fails to maintain the insurance as required in this Lease, FMERA shall have the right, but not the obligation, to purchase said insurance at Lessee's cost and expense, after the delivery of five (5) days' advance written notice to Lessee and Lessee's failure to so acquire such insurance. By requiring the insurance herein, FMERA does not represent that the coverage and limits will necessarily be adequate to protect Lessee, and such coverage and limits shall not be deemed to be a limitation on Lessee's liability under the indemnities granted to FMERA in this Lease.

A. Certificates and Policies: Prior to commencing any activities or services under this Agreement, Lessee shall furnish Lessor with insurance certificates evidencing that the required coverages are in effect. Lessee may be required, at a later date and upon specific written request by Lessor, to furnish

certified copies of any or all insurance policies. Lessor shall not be liable for the payment of any premiums, deductibles, claims or co-insurance under the foregoing.

B. Insurance Companies: The insurance companies indicated in the certificates shall be authorized to do business in the State of New Jersey, shall have a current A.M. Best rating of no less than A-, VI, and shall be acceptable to Lessor. Neither the approval by Lessor, nor the failure to disapprove, the insurance certificates furnished by Lessee shall release Lessee of and from full responsibility for all liabilities and obligations under this Lease.

C. Minimum Insurance Coverage Amounts: The minimum requirements of insurance to be carried by Lessee shall be as follows:

a. ~~Workers' Compensation and Employers Liability Insurance:~~

(i) Coverage A, Workers' Compensation - Statutory benefits as required by the Workers' Compensation Laws of the State of New Jersey, and reference to such compliance to be made on all certificates of insurance.

b. Commercial General Liability Insurance:

(i) Commercial General Liability Insurance in an amount not less than Three Million Dollars (\$3,000,000.00) each occurrence, or the equivalent, as respects Bodily and Personal Injury and Property Damage in any one occurrence, and Five Million Dollars (\$5,000,000.00) in the aggregate.

c. Builder's Risk Insurance:

(i) Lessee shall purchase and maintain, throughout the period of renovation of the Improvements and until a certificate of occupancy is issued, a Builder's Risk Policy, covering the interests of Lessor, Lessee, and Lessee's contractors, as their interests may appear, which shall insure against physical loss or damage to all property incorporated or to be incorporated in the Improvements, including temporary buildings used for the storage of property to be incorporated into the Improvements. Such insurance shall be in an amount equal to the value of the Improvements on a replacement cost basis. Such insurance shall also cover all property to be incorporated into the Improvements which is stored off-site or in transit.

d. Property Insurance:

(i) Immediately upon the execution and delivery of the certificate of occupancy for the Facility, and thereafter during the entire Term of this Lease, Lessee agrees to provide, without cost or expense to Lessor, property insurance in an amount equal to one hundred percent (100%) of the full replacement cost of the Improvements and providing for protection against the perils insured under the ISO special causes of loss form CP 10 30 00 (or a substitute form providing for equivalent terms and conditions), including flood and earthquake, with a deductible amount of not more than Twenty Five Thousand Dollars

(\$25,000.00). All of the policies required by this subparagraph shall name Lessor as loss payee as its interest may appear. Any co-insurance requirements in such policy shall be eliminated through the attachment of an agreed-amount endorsement, the activation of an agreed-value option, or as is otherwise appropriate under the particular policy form.

e. Excess Liability Insurance:

(i) Excess Liability Insurance in an amount not less than Five Million Dollars (\$5,000,000.00).

f. Dram Shop Liquor Liability Insurance:

(i) If alcoholic beverages will be served or sold at the Building, Lessee shall obtain and maintain a commercially reasonable amount 'Dram Shop' liquor liability insurance coverage.

D. Additional Insured Provision: The insurance policies identified above shall include an endorsement naming Lessor as an additional insured on all such policies, including Excess or Umbrella Liability Policies, if applicable.

E. Primary and Non-Contributory Insurance: The insurance policies identified in Paragraphs 31(C)(a) through 31(C)(c) shall include an endorsement stating that the coverage afforded to the Additional Insured will be primary to any other coverage available to such Additional Insured. Additionally, the coverage specified in this Agreement will be non-contributory on the part of Lessor and, as such, Lessor shall not be liable for the payment of any premiums, deductibles, claims or co-insurance under the foregoing.

F. Certificates of Insurance: Certificates of insurance shall be provided to Lessor in accordance with this Paragraph 31. Lessor reserves the right to require Lessee to furnish certified copies of the original policies of all insurance required under this Agreement at any time upon ten (10) business days' prior written notice to Lessee. All certificates of insurance shall indicate, in the special items section, that the insurance policies outlined in this Paragraph 31 will contain the following endorsements, if applicable: (1) an Additional Insured Endorsement, and (2) a Primary Insurance Endorsement.

G. Mutual Waiver of Subrogation: Both Lessor and Lessee waive any and all rights of recovery, claim, action, or cause of action, against the other, their agents, officers, directors, members and employees, for any injury, loss or damage that may occur in or to the Premises and/or the Improvements or the contents thereof, by reason of fire, the elements or any other cause which could be insured against under the terms of a standard fire and extended coverage insurance policy or commercial umbrella liability insurance policy, regardless of cause or origin. Lessee shall cause any policies of insurance maintained by it hereunder, or required to be maintained by it hereunder, to contain a waiver by the insurers of any rights of subrogation against Lessor. In the event that there is an extra premium for such waiver, Lessee shall bear the cost thereof.

32. Quiet Enjoyment: Lessor covenants and agrees that Lessee, upon paying the rent and performing and observing all of the material covenants, conditions and agreements hereof, shall and may peaceably hold and enjoy the Premises during the Term of this Agreement.

33. **Attornment:** If Lessor's interest in the Premises is assigned or conveyed by Lessor, whether voluntarily or by operation of law or legislative act, then Lessee shall attorn to the transferee of, or successor to, Lessor's interest in the Premises and recognize such transferee or successor as its landlord under this Agreement. Lessee waives the protection of any statute or rule of law that gives or purports to give Lessee any right to terminate this Agreement or to surrender possession of the Premises upon the transfer of Lessor's interest.

34. **Estoppel Certificates:** Lessor and Lessee agree, from time to time, upon not less than fifteen (15) days' prior written notice from the other, to execute, acknowledge and deliver to the other a statement, in writing, certifying the following:

A. That this Lease is unmodified and in full force and effect (or if there have been modifications, that this Lease is in full force and effect as modified, and stating the modifications);

B. Whether or not there are then existing any off sets or defenses against the enforcement of any of the terms, covenants or conditions hereof upon the part of Lessor or Lessee to be performed (and, if so, specifying the same);

C. The dates to which the rent has been paid in advance, if any; and

D. Any other matters that may be requested by the other or a mortgagee or prospective purchaser, it being intended that any such statement that is delivered pursuant to this Paragraph 34 may be relied upon by any prospective purchaser or Leasehold Mortgagee of the Premises.

35. **Force Majeure:** Whenever a period of time is herein prescribed for the taking of any action, Lessor or Lessee, as the case may be, shall not be liable or responsible for any delays that are a result of governmental action or lack thereof, shortages or unavailability of materials and/or supplies, labor disputes, strikes, slow downs, job actions, picketing, secondary boycotts, fire or other casualty, acts of God, requests of any governmental agencies or authorities, court or administrative orders or regulations, acts of declared or undeclared war, public disorder, riot, or civil commotion.

36. **Assignment and Subletting:** Except to a Leasehold Mortgagee pursuant to Paragraph 22 hereof, Lessee (and any subsequent Permitted Assignee) shall not, prior to completion of renovation of the Facility and the Improvements, (1) assign this Agreement, or sublet the Premises, or any interest herein or therein, in whole or in part, or (2) transfer, sell, convey or assign any right, title or interest in and to any of the Improvements or the Facility, without the prior written consent of Lessor in each instance, which consent may be granted or withheld in the sole and absolute discretion of Lessor. After the completion of renovation of the Facility and the Improvements, Lessee (and any subsequent Permitted Assignee) shall be permitted to assign this Agreement or any interest herein or to sublet the Premises, in whole or in part, to any assignee/subtenant that is first approved, in writing, by Lessor, which approval shall be commercially reasonable.

37. **Application of Laws and Regulations:** By entering into this Agreement, Lessor does not consent, either expressly or impliedly, to the jurisdiction or application of any laws, regulations, procedures, or requirements of any governmental, quasi-governmental or other political entity which would otherwise not

be applicable to Lessor. This Agreement shall be governed by, and interpreted under, the laws of the State of New Jersey.

38. Notices: Any notice, election, payment, or other communication (hereafter in this Paragraph 38 referred to as "Notices") which Lessor or Lessee shall desire or be required to give pursuant to the provisions of this Agreement must be in writing and shall be sent to the addresses or facsimile numbers set forth below by (a) registered or certified mail, return receipt requested, (b) national overnight courier service, or (c) facsimile transmission. The giving of such Notice shall be deemed complete and effective on the third (3rd) business day after the same is deposited in a United States Post Office with postage charges prepaid with respect to Notice given by part (a) of this Paragraph 38; the next business day after depositing same with a national overnight courier with respect to Notice given by part (b) of this Paragraph 38; and the day sent by facsimile transmission (as evidenced by fax machine confirmation of receipt) with respect to Notice given by part (c) of this Paragraph 38. Any party or Leasehold Mortgagee may designate or change the address to which Notices are to be sent to it by Notice to the other party pursuant to the procedure set forth in this Paragraph 38. The addresses for Notice to each party shall be as follows (or to such other address as such party may theretofore have designated by Notice pursuant to this Paragraph 38):

39. Amendment: This Agreement may not be amended except upon the written consent of both Lessor and Lessee.

40. Incident Reporting: All accidents or injuries to persons, or any damage to property, occurring as a result of Lessee's use of the Premises pursuant to this Agreement must be reported promptly to FMERA's Executive Director or to another authorized representative of FMERA.

41. Waiver: The failure of either party to insist on the strict performance by the other party of any covenant, term or condition of this Agreement or the failure of any party to exercise any right or remedy under this Agreement shall not constitute a waiver by such party of such performance, right or remedy. The acceptance of rent by Lessor shall not constitute a waiver of any default, breach or failure to perform the covenants, terms and conditions of this Agreement. All waivers, alterations or modifications of any covenants, terms or conditions of this Agreement must be in writing and signed by both parties to be valid. A valid waiver shall be strictly construed and shall have no effect on the remainder of this Agreement. A waiver by any party of a breach or default by the other party of any provision of this Agreement shall not be deemed to be a waiver of future compliance therewith, and such provisions shall remain in full force and effect.

42. Captions: All headings preceding the text of the several sections and paragraphs hereof are inserted solely for the convenience and reference of the parties and shall not constitute a part of this Agreement, nor shall they affect the meaning or interpretation thereof.

43. Severability: If any provision of this Agreement shall be invalid or unenforceable, in whole or in part, then such provision and this Agreement shall be deemed and construed to be modified or restricted to the extent, and in the manner, that is necessary to render such provision valid and enforceable, or shall be deemed excised from this Agreement, as the case may require.

44. Modification: Unless otherwise authorized by this Agreement, all modifications must be in writing and signed by both parties to be valid.

45. Entire Agreement: This Agreement and the documents referred to herein set forth all of the promises, agreements, conditions, and understandings between Lessor and Lessee relating to the Premises, and there is no promise, agreement, condition, or understanding, either oral or written, between them other than as is herein set forth.

46. Political Campaign Contributions:

46.1. For the purpose of this Section 46, the following shall be defined as follows:

(a) "Contribution" means a contribution reportable as a recipient under "The New Jersey Campaign Contributions and Expenditures Reporting Act" P.L. 1973, c. 83 (C.10:44A-1 et seq.), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq., a contribution made to a legislative leadership committee, a contribution made to a municipal political party committee or a contribution made to a candidate committee or election fund of any candidate for or holder of the office of Lieutenant Governor. ("Chapter 51").

(c) PL 2005, c. 51 – means Public Law 2005, chapter 51 (C. 19:44A-20.13 through C. 19:44A-20.25, inclusive) as expanded by Executive Order 117 (Gov. Corzine, September 24, 2008).

46.2 The terms, restrictions, requirements and prohibitions set forth in P.L. 2005, c. 51 are incorporated into this Agreement by reference as material terms of this Agreement with the same force and effect as if P.L. 2005, c. 51 were stated herein its entirety. The certifications made herein are intended to and shall be a material term of this Agreement and if the Treasurer of the State of New Jersey determines that any Contribution has been made in violation of P.L. 2005, c. 51, the Lessor shall have the right to declare this Agreement to be in default.

46.4 Lessee hereby covenants that Lessee (and each of its principals, subsidiaries and political organizations included within the definition of Business Entity) shall not knowingly solicit or make any Contributions of money, or pledge of a Contribution, including in-kind Contributions, to a candidate committee or election fund of any candidate or holder of the public office of Governor of New Jersey or to any New Jersey state or county political party committee prior to the expiration or earlier termination of this Agreement. The provisions of this Paragraph 46.4 are intended to and shall be a material term of this Agreement and if the Treasurer of the State of New Jersey determines that any Contribution has been made by Lessee (and each of its principals, subsidiaries and political organizations included within the definition of Business Entity) in violation of P.L. 2005, c. 51, the Lessor shall have the right to declare this Agreement to be in default.

46.5 In addition to any other Event of Default specified in this Agreement, the Lessor shall have the right to declare an event of default under this Agreement if: (i) Lessee (or any of its principals, subsidiaries and political organizations included within the definition of Business Entity) makes or solicits a Contribution in violation of P.L. 2005, c. 51, (ii) Lessee (or any of its principals, subsidiaries and political organizations included within the definition of Business Entity) knowingly conceals or misrepresents a Contribution given or received; (iii) Lessee (or any of its principals, subsidiaries and political organizations included within the definition of Business Entity) makes or solicits Contributions through intermediaries

ENVIRONMENTAL PROTECTION PROVISIONS

1. NOTICE OF PRESENCE OF ASBESTOS AND COVENANT – WARNING!

A. The LESSEE is warned that the Premises contain friable and non-friable asbestos or asbestos-containing material (hereinafter referred to as “ACM”). Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the U.S. Occupational Safety and Health Administration (OSHA) and the U.S. Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.

B. The LESSEE acknowledges that it has been invited, urged and cautioned to inspect the Premises prior to accepting the conveyance herein. More particularly, the LESSEE acknowledges that it has been invited, urged and cautioned to inspect the Premises as to its asbestos and ACM content and condition and any hazardous or environmental conditions relating thereto. Notwithstanding the foregoing notice, the LESSEE shall be deemed to have relied solely on its own judgment in assessing the overall condition of all or any portion of the Premises including, without limitation, any asbestos and ACM hazards or concerns.

C. Any description of the Premises or other information relating to the condition of the Premises provided by the LESSOR to the LESSEE is based on the best information available to the LESSOR from the Department of the Army and is believed to be correct, but an error or omission, including, but not limited to, the omission of any information available to the Department of the Army and/or any other Federal agency, shall not constitute grounds or reason for any claim by the LESSEE against the LESSOR, including, without limitation, any claim for allowance, refund, or deduction from the rent.

D. The LESSOR assumes no liability for damages for personal injury, illness, disability, or death, to the LESSEE, or to the LESSEE's successors, assigns, employees, invitees, or any other person subject to LESSEE's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Premises that is the subject of this Agreement, whether the LESSEE, its

successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

E. Building 275 and Building 282 have been determined to contain friable asbestos. The LESSEE covenants and agrees to undertake any and all asbestos remediation or abatement in said buildings that may be required under applicable law or regulation at no expense to the LESSOR. The LESSOR has agreed to lease the said buildings to the LESSEE prior to remediation or abatement of asbestos and/or ACM hazards in reliance upon the LESSEE's express representation and covenant to perform the required asbestos abatement or remediation of the said buildings. The LESSEE further covenants and agrees that, in its use and occupancy of the Premises, it will comply with all Federal, State, and local laws and regulations relating to asbestos and ACM and to be responsible for any future remediation or abatement of asbestos and/or ACM, including asbestos and/or ACM in or on buried pipelines, found to be necessary under applicable laws or regulations.

2. NOTICE OF THE PRESENCE OF LEAD-BASED PAINT AND COVENANT LIMITING THE USE OF THE PREMISES FOR RESIDENTIAL PURPOSES

A. Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

B. The LESSEE is hereby informed and does acknowledge that all buildings, residential and other real property improvements, located on the Premises, which were constructed or rehabilitated prior to 1978, are known or presumed to contain lead-based paint.

C. The LESSEE hereby acknowledges that it has conducted or has had the opportunity to conduct the risk assessment or inspection required by 24 C.F.R. § 35.90(a) with regard to the Premises. The LESSEE shall be deemed to have relied solely on its own judgment in assessing the condition of the Premises with regard to lead-based paint and any lead-based paint hazards.

D. The LESSEE for itself, its successors and assigns hereby covenants and agrees that it shall not permit the occupancy or use of any buildings or structures on the Premises as a residential dwelling, as defined under 24 C.F.R. § 35.86, without complying with all applicable laws and regulations pertaining to lead-based paint and lead-based paint hazards. Prior to

permitting the occupancy of any building or structure on the Premises where its use subsequent to the conveyance herein is intended for residential habitation, the LESSEE specifically agrees to perform, at its sole expense, the Department of the Army's abatement responsibilities under title X of the Housing and Community Development Act of 1992 (Residential Lead-Based Paint Hazard Reduction Act of 1992), as amended.

3. NOTICE OF PRESENCE OF PESTICIDES AND COVENANT

A. The LESSEE is hereby notified and acknowledges that registered pesticides have been applied to the Premises and may continue to be present thereon. The LESSOR and LESSEE know of no use of any registered pesticide in a manner (1) inconsistent with its labeling or with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) (7 U.S.C. § 136, et seq.) and other applicable laws and regulations, or (2) not in accordance with its intended purpose.
